Guidelines :

1. Two Gold Medals are to be awarded each year starting with 2015. One for an Original article and the other for a “case report”. For an article to be considered for either of the awards, it should have been published during the preceding calendar year (for eg. Papers published during the period January, 2014 – December, 2014 will be considered for the awards for the year 2015).
2. These Medals are for Medical Faculty of SVIMS only.
3. Faculty members can submit their 3 best papers published in print during the period of consideration for the award of Gold Medals.
4. The impact factor of the journal in which the article is published and the Citation index of the article (excluding self citations) will be taken into consideration for selection by the Research committee for the award of the Gold Medals. Merit certificates are to be given to all the other authors. Gold Medal is to be given to the First Author who is medical faculty in the author list sequence.

Last date for receipt of application, complete in all respects, will be 31.01.2015 and the medals will be awarded on the occasion of Institute Day (26th February).
