

REGISTRATION FORM

CME & WORKSHOP 09-11 NOVEMBER 2017

1. Participant Name:
2. Designation:
3. Department:
4. Organization:
5. Address for Correspondence:
6. Contact No.:
7. E-mail :

Please take photocopy of the registration form for filling.

Address for correspondence:

Dr Usha Kalawat
Principal Investigator
Virus Research and Diagnostic
Laboratory (VRDL)
Department of Microbiology
Sri Venkateswara Institute of Medical
Sciences (SVIMS),
Tirupati-517507, A.P. India

CME

ORGANISING SECRETARY

Dr KK Sharma

Associate Professor & I/C Head
Dept. of Microbiology, SVIMS, Tirupati.

RESOURCE PERSONS

Dr Srinivas Rao

Professor & Head, Dept. of Microbiology
SVMC, Tirupati

Dr Manohar B

Professor, Dept. of Paediatrics,
SVRRGGH, Tirupati

Dr Katyarmal

Associate Professor, Dept. of Medicine
SVIMS, Tirupati

Dr Usha Kalawat

Associate Professor, Dept. of Microbiology
SVIMS, Tirupati

Nagaraja M

Research Scientist (Non-Medical), VRDL

Rishi Gowtham R

Research Assistant, VRDL

WORKSHOP

ORGANISING SECRETARY

Dr Usha Kalawat

Associate Professor
Dept. of Microbiology
SVIMS, Tirupati

ORGANISING MEMBERS

Dr Padmalatha AM (Med. Scientist),
Dr Madhavilatha P, Umaphathi N (Research
Technicians)

ICMR-DHR-VRDL

CME
09th November 2017

&

**2nd ANNUAL HANDS-ON TRAINING ON
VIRUS DIAGNOSTIC METHODS**

10th and 11th NOVEMBER 2017

**APMC has awarded 6 credit
hours for the program**

Organised by:

**Virus Research and Diagnostic Laboratory
(VRDL)**

Department of Microbiology
Sri Venkateswara Institute of Medical Sciences,
Tirupati-517507, A.P. India

ABOUT THE INSTITUTE:

Sri Venkateswara Institute of Medical Sciences(SVIMS), a tertiary care referral centre located at the foot hills of Tirumala. SVIMS hospital's state-of-art equipment will facilitate diagnosis and treatment of diseases faster and lesser cumbersome. In extending its wings, VRDL Tirupati was established in the year 2015 and inaugurated by honourable Health Minister of Andhra Pradesh Sri Kamineni Srinivas.

ABOUT VRDL:

Outbreaks of viral agents are frequent in India. Timely diagnosis of these outbreaks is critical to mount appropriate public health response. The inadequacy of specialized virology laboratories in the country was noticed in the past as well as during the recent H1N1 pandemic. To address the shortage of specialized virus research and diagnostic laboratories (VRDL) in the country, the Department of Health Research has decided to establish a network of laboratories across the country. VRDL Tirupati is one such fully equipped laboratory.

OBJECTIVES OF VRDL:

- Timely identification of viruses and other agents causing morbidity significant at public health level and specifically agents causing epidemics and/or potential agents for bioterrorism

- Develop capacity for identification of novel and unknown viruses and other organisms, emerging and re-emerging viral strains and develop diagnostic kits.
- Provide training to health professionals.
- Undertake research for identification of emerging and newer genetically active/modified agents.

So as a part of VRDL objectives, this training program was initiated to train 10 to 15 life sciences post graduates for virology related lab work.

TRAINING COVERS:

- ELISA
- DNA extraction
- Conventional PCR
- Gel electrophoresis
- RNA Extraction
- RT PCR

Dr. Usha Kalawat
Nodal Officer- VRDL
Associate Professor
Dept. Of Microbiology
SVIMS - Tirupati

ACCOMMODATION:

No accommodation will be provided. Participants should make their own arrangements.

LUNCH:

Only working lunch will be provided.

TA/DA:

No TA/DA will be given for attending the training.

WHO CAN APPLY:

Any interested post graduates, technicians and junior faculty those who are working in Microbiology.

HOW TO APPLY:

CME – Filled in registration form should reach the Principal Investigator on or before 07.11.2017 (4 PM). Registration is FREE. Spot registration permitted.

Mail us - virologysvims@gmail.com

Workshop (Limited to 10 participants only)

Filled in registration form along with the complete CV should reach the Principal Investigator on or before 07.11.2017 (4 PM). Registration is FREE.

Spot registration - **NOT** permitted.

Mail us - virologysvims@gmail.com

IMPORTANT DATES:

Last date of receiving registration forms:

07.11.2017

Intimation of confirmation : 08.11.2017
