Dear Alumnus/Alumna,

Good day to all of you.

It had been great having you all as members of SVIMS family when you were studying here. Many of you have flown in different directions to achieve your goals and are busy establishing yourselves as passionate professionals in your precincts. Your alma mater sounds the bugle of reunion with a fond hope that all of you would oblige.

It's with great pleasure that we inform you the formation of **Association of SVIMS Doctors Alumni (ASVIDA)** on the occasion of the 'Silver Jubilee Celebrations of SVIMS' (from 24th to 26th of February, 2018). What would be better than relaxing from your busy schedule and reliving the past for at least a day, which has exclusively been named as "Alumni Day"?

Inviting you to recapture your precious past on February 25, 2018.

More details will be mailed in the days that follow.

Dear Doctor,

Greetings from SVIMS!

Hope this letter finds you and your family in good health and cheers.

SVIMS is celebrating its silver jubilee year during 2017-18, culminating in foundation day celebrations during Feb 24-26, 2018. I am sure this information will bring in the nostalgic memories of your stay in SVIMS. As a part of silver jubilee celebrations we intend to have some sessions involving the Alumni of the University on Feb 25, 2018. The Head of your department will be reaching you on this aspect.

May I suggest, the silver jubilee year will be the most apt occasion to consolidate the bond among the students of this University. If you concur with my idea, I request you to think about initiation of SVIMS alumni of medical postgraduates. As we all know it is the alumni that bring name, fame, strength and support to the organization.

Please provide your contact details name, Ph.No., Whatsapp No., contact address, Email address to svimsdean@gmail.com on or before 10.01.2018, in order to maintain Alumni register and make it available in SVIMS website before the foundation day celebrations.

Expecting to see you at the silver jubilee celebrations.
