1. INTRODUCTION :

Sri Venkateswara Institute of Medical Sciences (SVIMS), Tirupati, established in the year 1993, under the aegis of Tirumala Tirupati Devasthanams, as a modern super speciality hospital was granted the status of a University in the year 1995 by an Act of A.P. State Legislature vide Act No. 12 of 1995. Later, the act was amended in 2021 making TTD as sponsoring institution and Chairman of TTD as Chairman-cum-Chancellor of SVIMS in AP Gazette vide ACT No.24 of 2021, Dated 20th December 2021.

The objectives of the Institute are:

- a) to create a center of excellence for providing medical care, education and research facilities of a high order in the field of medical sciences in the existing super-specialties and such other super-specialties as may develop in future, including Continuing Medical Education and Hospital Administration.
- b) to develop patterns of teaching at postgraduate level and at super speciality level, as to set a high standard of medical education.
- c) to provide training in paramedical and allied fields, particularly in relation to super-specialties.
- d) to function as a referral hospital.
- e) to provide post graduate teaching and conduct of research in the relevant disciplines of modern medicine and other allied sciences, including inter-disciplinary fields of physical and biological sciences.

The institution, spread in a 107.04 acre campus, is gradually growing into a prestigious university. Today, SVIMS has 37super/broad speciality medical departments, three colleges and two inter-disciplinary departments and is developing into a center of excellence for providing medical care, education and research activities of a high standard. In addition to these, SVIMS also provides training in para-medical and allied fields, particularly related to super-specialities.

The Institution is recognized by the University Grants Commission (UGC) under section 12 (B) of the UGC act, 1956, and the Medical Council of India (MCI) / National Medical Commission (NMC) has granted permission and later recognition to start DM/M.Ch. super-specialty courses in Cardiology, Cardiothoracic Surgery, Endocrinology, Medical Oncology, Neurology, Nephrology, Neurosurgery, Surgical Oncology, Surgical Gastroenterology, Urology and PG Medical (MD), (MS) courses in Anesthesiology, Anatomy, Biochemistry, Community Medicine, Emergency Medicine, General Surgery, Medicine, Microbiology, Nuclear Medicine, Pathology, Physiology, Pharmacology, Radio Diagnosis, Radiation Oncology and IHBT.
