MESSAGE

I'm pleased to congratulate Sri Venkateswara institute of medical sciences (SVIMS) on its 28th anniversary day on 26th February, 2021.

It gives me immense pleasure to state on record the great strides made by Sri Venkateswara institute of medical sciences in terms of expanding its activities in the fields of medical care and education & research. Various community outreach programmes launched by SVIMS to reach out and provide worldclass medicare to the people of the state of Andhra Pradesh is commendable.

Today, SVIMS has outgrown into one of the premier institutions in the country setting an example for other institutions to follow.

SVIMS played a significant role in the prevention, detection and treatment of COVID-19 patients by providing the best of medical care through Sri Padmavathi medical college hospital which was transformed into a state COVID hospital to cater to the needs of the patients from the Rayalaseema region after the outbreak of COVID-19 pandemic in March 2020. Proactive and scientific measures taken up by SVIMS during this period helped save many precious lives of the people.

I'm happy to see the dedication and commitment of Dr B Vengamma, Director cum vice chancellor and SVIMS faculty in providing advanced health care to the needy and the poor patients. TTD will also help such poor patients by extending complete financial assistance through various schemes.

I once again congratulate the faculty and other staff members and students of this great organization on the occasion of the institution's 28th anniversary celebrations.

MESSAGE

It gives immense pleasure to know that Sri Venkateswara Institute of Medical Sciences (SVIMS) is celebrating its 28th Anniversary Day on February 26 and also releasing its Magazine "AKANKSHA 2021" on this propitious occasion.

In its remarkable journey since its inception in 1993, SVIMS has achieved a pride place in the field of Medical Sciences with its State-of-Art Medicare to the poor and needy patients of Tirupati, indeed the entire region of Rayalaseema.

The incredible efforts of the SVIMS fraternity in the last two and a half decades, has established it as one among the list of top 100 Educational Institutions in India at the University level. They deserve my heartfelt appreciation for the same.

SVIMS has served tremendously towards wellness of the public during the year of 2020 by providing treatment to the COVID-19 patients through converting Padmavathi Medical College Hospital as "State Covid Hospital" with the support of the Government of Andhra Pradesh/TTDs and provided utmost patient care with commitment of all the SVIMS family in saving the lives of public during the pandemic period of COVID-19.

SVIMS has also done outstanding contributions to the society by successfully treating several poor suffering from chronic diseases under Sri Balaji Arogya Vara Prasadini Scheme initiated by TTD for better medical care.

I also congratulate, the Director, Doctors, students and the strong work force of SVIMS, who have earned unique recognition by virtue of their hard work and wish that the Institute will continue to progress and serve the needy with the benign blessings of Lord Venkateswara.

I am happy to learn that Sri Venkateswara Institute of Medical Sciences & University is conducting the 28th Anniversary Day Celebrations of the SVIMS on 26th February 2021 and releasing the Magazine of the Institute "AKANKSHA - 2021" to commemorate the event.

The SVIMS achieved its progress by leaps and bounds and now it is on par with reputed central institutions. It added another feather to its cap by establishing Sri Padmavathi Medical College for Women. The state of Andhra Pradesh is proud to have an institute like SVIMS to provide quality tertiary health care services to the needy people. It gives immense pleasure to know that the SVIMS got pre entry level NABH certification and is moving ahead for final Accreditation certification of NABH. The SVIMS earned good name during the entire year of 2020 by providing treatment to the COVID-19 patients through converting Padmavathi Medical College Hospital as "State Covid Hospital".

By securing a high rank in the National Institutional Ranking Framework of the MHRD, Government of India in 2018, 2019 and 2020 SVIMS manifested its patient care, research, training and teaching. These accomplishments are a testimony to the vision of administration and also a demonstration of dedication and commitment shown by the staff over the years. I hope and wish that the SVIMS would achieve the topmost rank very soon and final certification on final NABH accreditation.

TIRUMALA TIRUPATI DEVASTHANAMS

MESSAGE

Bequeathing supreme prominence to providing alleviation to the people in pain, the profound thought that sprouted within the Tirumala Tirupati Devasthanams has seen the blooming of SVIMS. Twenty-eight years down the path, has made distinctly obvious the gigantic and appreciable leaps and strides the university has made in the avenues of medical care, education and research. The statement may be substantiated by an unbiased assessment of the progress reflected in the commemoration of the conception and inception of the University's Annual celebrations. On this illustrious occasion, I herein invoke the blessings of Lord Sri Venkateswara to be showered on the denizens of SVIMS family.

SVIMS has been incessantly proffering all its efforts to meet the highest standards, expected of universities of such calibre. In the process of attaining great heights SVIMS has assimilated the prevalent virtues of the medical fraternity besides maintaining its independent status as a distinctive seat of higher learning in the field of Medical Education.

As the Dean of this nonpareil institution for advanced studies of Medical Sciences and allied subjects I deem it an honour in sharing with you the glory it has achieved over the years. This is the one and only university in the entire South East Asia having the largest dialysis facility. The various contributions of SVIMS in the field of medical care, education and research remain unchallenged. Providing credence to the presumption of augmenting contemporary and progressive medical knowledge with the allied avenues like Nursing, Physiotherapy and other para-medical courses; a salubrious co-existence between them prevails. The recent addition, Sri Padmavathi Medical College for Women, has been a pearl in the necklet of SVIMS –offering MBBS, on a platter to erudite pursuers.

With such a motley collection in its portmanteau, SVIMS is leaping ahead towards its ideals; in the pursuit of proclaiming “Quality Health Care for all at minimal cost”. The scrupulous and meticulous manner in which SVIMS approaches and copes with agencies like NABH to procure accreditation and the tangible strategies it has opted for; are a substantial evidence of the same. The escalation of SVIMS as a State Level Hospital for COVID-19 of Andhra Pradesh and the contribution of its denizens attending to thousands of people in pain and distress ratify its claim.

I extend my heartfelt congratulations to all the contributors of this success and sincerely wish that under the able stewardship of our venerable Vice-Chancellor cum Director Prof. B. Vengamma, all the learned members of her illustrious staff and students who have been the reason behind this sort of achievement; and of the immense success in forging forward in every sphere of activity; will further reach academic heights, hitherto unseen.

(Dr B.Siddhartha Kumar)

Comparing to this we are a speck of a particle
We being a speck of particle
We have many feelings, responsibilities with up's and downs in our small life.

Have you ever thought meeting a greatest person in the world?
If you don't known stand before mirror.
And yes you are correct you are the greatest person yourself.
There is no other one same like you
You are unique
Why people don't love themselves but think everyone.
Wheypeople don't care about themselves but think everyone should care for them?
By this thinking only half of the life is completing and only about wrapping.
A person can be happy when his/her all emotions are in control.
Its difficult but thats what we do we adapt
So try to enjoy your life.

ఆడకూతురా నీకు అడుగుడుగున వందనం!!

జీవితం అనేది ఒక్క నాటకం అయితే అందులో వున్న పాత్రలే ఆడ, మగ, నాటకంలో పాత్ర తప్ప నిజ జీవితంలో ఆడపిల్ల విలువ శూన్యం. సాటి ఆడబిడ్డ అయినా అమ్మకూడ ఆడపిల్లని తన కూతురుగా వద్దు అనుకునే సమాజంలో మనం బ్రతుకుతున్నాము. నమ్మిన నమ్మకున్న ఇది నిజం. కొందరు అనుకోవచ్చు మన ఇంట్లో ఆడపిల్లని మనం బాగానే చూసుకుంటువున్నాము కదా అని కాని మన ఇంట్లో పుట్టిన ఆడ బిడ్డే కాదు అంది. ఈ అమ్మలాంటి భూమాత ఓడిలో పుట్టిన ఆడబిడ్డే కాదు అంది. ఈ అమ్మలాంటి భూమాత ఓడిలో పుట్టిన ప్రతి ఆడబిడ్డ మన బిడ్డే, అలా అందరు అనుకుంటే ఏ ఆడపిల్లకి ఇలాంటి ధుస్థితి రాదు అనేది అక్షరం సత్యం.

అమ్మాయి మీద ఏదో ఒక్క అఘయుత్యం జరిగితేనే ప్రతి ఒక్కరి గలం వినిపిస్తుంది, అది సమస్యకు పరిష్కారమా లేదు కదా! భగవద్గీత, అయిన, బైబిల్ అయిన, ఖుర్ఆన్ అయిన, రాసి వుందా స్త్రీని చిన్న చూపు చూడాలి అని? ఇలాంటి ధుస్థితిలో పేట్టలి! ఇలానే జీవించాలి? అని అక్కడ లేదు ఏ పవిత్ర మతము కూడా మనకు అలాంటి విద్యా బుద్ధులు నేర్పదు. కాని మన సమాజం అలానే వుంది. రక్షణ కలిపిస్తున్నాము, రక్షణ కలిపిస్తున్నాము అని అంటున్నారు కాని ఎక్కడ అరక్షణ? అప్పుడే పుట్టిన బిడ్డ నుండి చావుకు కాలు చాపిన అవ్వ వరకు ఏదో ఒక మహిళ, ఏదో ప్రదేశంలో భాదలు పడుతునే వుంది మనం భారత్ లాంటి గొప్ప దేశంలో పూట్టాము అన్నది ఎంత నిజమో, ఇది కూడా అంతే నిజం.

అమ్మాయికి ఎన్ని అఘయుత్యాలు జరిగిన ఇదిగో ఆ అమ్మాయికి అలా జరిగింది అంట, ఇలా జరిగింది అంట, అలా వుండడం వల్లే జరిగింది అనే పద్ధతిని మార్చుకోవాలి. అమ్మ 9 నెలలు మన్నల్ని మోసి కంటుంది కదా అది మాత్రం, చేప్పరే? ఆడది ఇలా కష్ట పడడం వల్ల మనం జన్మించాము అని! ప్రపంచ బాలికల దినోత్సవం, మహిళల దినోత్సవం రోజు మాత్రం కాదు వాళ్ళకి ఒక్క మంచి జీవితం కావాలి. ఏదో ఒక్క దినోత్సవం నాడు ఎందురో గొప్ప గొప్ప మహిళల గురించి మాట్లాడి. ఆ దినోత్సవం అయిన తరువాత చిన్న చూపు చూడడం కాదు ఏ గొప్ప మహిళ గురించి అయితే మనం అంత గొప్పగా చేప్పుకుంటున్నమో ప్రతి ఒక్కరి ఇంట్లో అలాంటి గొప్ప మహిళ వుంది అని మనం గుర్తించాలి అలా మనం గుర్తించక పోవటం మన ధ్రోబాగ్యం.

ఇలా ఎన్నో రూపముతో మనం కొలుస్తున్నము ప్రతి
దేవత ఒక్క మహిళ అన్నది మనం తెలుసుకోవాలి.

అన్నం పరబ్రహ్మ స్వరూపం

అన్నం పరబ్రహ్మస్వరూపం అని ఏందుకు అంటారు?

ఇంట్లో ఉన్న చిన్న పిల్లలు ఎప్పుడన్నా అన్నం వదిలేస్తే పెద్దవాళ్ళు అన్నం అలా పారవేయకూడదు. “అన్నం పరబ్రహ్మస్వరూపం” అని అంటారు.

అలా ఎందుకు అంటారు అని ఎప్పుడన్నా పెద్ద వాళ్ళను అడిగినా చిన్న పిల్లలలు 100 శాతం నమ్మేలా కారణం చెప్పరు.

నిజానికి ప్రతి జీవి పుట్టక ముందే, ఆ జీవికి కావలసిన ఆహార పదార్థాలు ఈ భూమి మీద పుట్టిస్తాడు ఆ భగవంతుడు.

అందుకే ఏ జీవి ఈ నేల మీద పడ్డా నారు పోసిన వారు నీరు పోయకపోరు అని భగవంతుని గురించి పెద్దవాళ్ళు అంటారు.

అంటే మనము ఈ భూమి మీద పడకమునుపే మనకు ఇంత ఆహారం అనీ, ఇన్ని నీళ్ళు అని ఆ భగవంతుడు మన పూర్వ జన్మలో చేసిన పాపపుణ్యాలు లెక్కలు వేసి ఆహారాన్ని, నీళ్ళును, మనము ఎవరికి పుట్టారో కూడా నిర్ణయించి ఈ భూమి మీదకు పంపుతాడు.

ఎప్పుడైతే ఒక జీవికి ఆయన ప్రసాదించిన నీళ్ళు, ఆహారం, అయిపోతాయో ఆ జీవికి ఈ భూమి మీద నూకలు చెల్లి ఆ జీవికి అయువు పూర్తి అయిపోతుంది.

అందుకే మీకు పెట్టిన ఆహారం కానీ నీళ్ళు కానీ వృధా చేయకుండా నీకు అక్కరలేదు అనిపించినప్పుడు ఎవరికన్నా దానం ఇవ్వడం వలన నీకు పుణ్యఫలం పెరిగి నీకు ఇచ్చిన ఆహారం కానీ నీళ్ళు కానీ మరి కొంచెం పెరిగి ఆయుష్షుంతుడు అవుతావు, లేదా నీకు అని ఆ దేవదేవుడు ఇచ్చిన ఆహారాన్ని నేలపాలు చేస్తే నీకు లెక్కగా ఇచ్చిన ఆహారం తరిగి నీ... ఆయువు తరిగిపోతుంది. ఏ తల్లి అయినా చూస్తూ చూస్తూ బిడ్డ ఆయువు తరిగిపోవడం చూడలేక అన్నం పారవేయకు అని పదిసార్లు చెబుతుంది, అవసరమైతే దండిస్తుందా.

ఇదంతా మీరు వివరంగా చెప్పలేక అన్నం పరబ్రహ్మస్వరూపం పారవేయవద్దు అని మాత్రమే చెబుతారు..

అందుకే అన్నీ దానాలలోకి అన్నదానం చాలా మంచి ఫలితాన్ని ఇస్తుంది.

ఈ భూమి మీద ఉన్న ఏ జీవికైనా ఆహారం పెడితే కడుపునిండా తిని నిండు మనసుతో పెట్టినవారిని ఆశీర్వాదిస్తారు...

మనం ఏది దానం చేసిన ఇంకా ఇస్తే బావుండు అన్న ఆశ ఉంటుంది బంగారం, డబ్బులు, బట్టలు ఇలా ఏది అయినా ఇంకా ఇంకా అనిపిస్తుంది. కానీ అన్నం పెడితే మాత్రం పొట్ట ఒప్పుకొని జీవికి తృప్తి కలుగుతుంది అందుకే అన్నదానం మించిన దానం లేదు అంటారు.

జీవుల పొట్ట నింపి బ్రతకనిస్తుంది కాబట్టి ఆహారాన్ని వృధా చేయకూడదు అయ్యారు.

అన్నదాత సుఖీభవ
