ICT tools used in college of physiotherapy

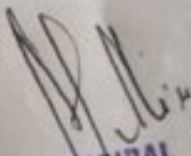

3 classrooms are equipped with LCD projectors and some have interactive black and white boards.

Faculty members use audio-visual tools to impart knowledge. High quality audio and video devices are provided to faculty members and also in our classroom facilities.

When Covid-19 pandemic disrupted regular classroom activities, College of physiotherapy switched to **FREE CONFERENCE CALL APP, ZOOM APP**, where all regular classes and assessments were conducted and this e-platform is also used for day-to-day meetings.

Meeting was held on the training for usage of COLLPOLL app was done on 2022 april 15th and 10th may 2023. CALLPOL APP is being installed and registered by all the faculty. Application of COLL POLL will be initiated soon.

Students have digital access to thousands of books and journals through our central library facilities.
