AWM shall bear the cost of operationalization including machinery, manpower, water, electricity supply and other taxes and duties as levied.

AWM shall provide adequate training & personal protective equipment to the staff to ensure occupational safety.

Ensuring safety of premises, equipment, fixtures & furniture and also personal safety including fire or theft shall be the responsibility of AWM and the SVIMS shall not be held responsible directly or indirectly on such counts.

Any pilferage / damage to the SVIMS property due to mishandling, carelessness of AWM or its workmen will be recoverable from AWM.

AWM shall be liable to pay such direct & indirect taxes, duties, fees and other impositions levied under the applicable laws of India.

AWM shall indemnify all costs, expenses, damages etc. in relation to handling / mishandling / omission to handle the bio-medical waste as per provisions of Bio-Medical Management rules 2016.

NO BREACH OF CONTRACT

The failure of a party to fulfill any of its obligations shall not be considered to be a breach of, or default under this contract in so far as such inability arises from an event of force Majeure, provided that the party affected by such an event has taken all reasonable precautions, due care and reasonable precautions & reasonable alternative measures, all with the objective of carrying out the terms and conditions of this contract.

TERMINATION OF CONTRACT

If this contract has not become effective within 90 days of signing of contract by both the parties, either party may, by not less than Ninety (90) days written notice to the other party, declare this contract to be null and void, and in the event of such a declaration by either party, neither party shall have any claim against the other party with respect hereto.

FORCE MAJEURE

"Force Majeure" means an event which is beyond the reasonable control of a party, if not foreseeable, is unavoidable and not brought about by or at the instance of the party claiming to be affected by such events and which has caused the non-performance or delay in performance, and which makes a party performance of its obligations hereunder impossible or so impractical as reasonably to be considered impossible in the circumstances, and includes, but is not limited to was, riots, civil disorder, earthquake, fire, explosion, storm, flood or other extreme adverse weather conditions, strikes, lockouts or other industrial action (except where such strikes, lockouts or other industrial action are within the power of the party invoking force majeure to prevent), confiscation or any other action by government agencies.

Force majeure shall not include (a) any event which is caused by the
