F.No. 14/230/1994-TU-V

Date: 27th April 2023

**The Director-cum-Vice Chancellor
Sri Venkateswara Institute of Medical Sciences,
Alipiri Road,
Tirupati – 517507, Andhra Pradesh**

Subject: Renewal of Recognition of Scientific and Industrial Research Organisations (SIROs).

Dear Sir,

This has reference to your application for renewal of recognition of **Sri Venkateswara Institute of Medical Sciences, Tirupati, Andhra Pradesh** as a Scientific and Industrial Research Organisation (SIRO) by the Department of Scientific and Industrial Research under the Scheme on Recognition of Scientific and Industrial Research Organisations (SIROs), 1988.

2. This is to inform you that it has been decided to accord renewal of recognition to **Sri Venkateswara Institute of Medical Sciences, Tirupati, Andhra Pradesh** from **01.04.2023 to 31.03.2026**. The recognition is subject to terms and conditions mentioned overleaf.

3. Receipt of this letter may kindly be acknowledged.

Yours faithfully,

(Dr. P.K. Dutta)
Scientist - 'G'

TERMS AND CONDITIONS FOR RECOGNITION OF SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATIONS (SIROs)

1. The organizations should acknowledge receipt of the recognition letter by stating that they will abide by the terms and conditions of recognition.
2. The recognition will entitle the SIRO to receive such administrative support from the DSIR, Ministry of Science & Technology as may be required on issue to promote or encourage scientific research activities.
3. SIROs recognized by DSIR are also deemed to be registered. A separate certificate of registration** is issued along with the recognition letter. The recognition would be valid for the period specified in the recognition letter and application for renewal of recognition shall be submitted in the prescribed proforma at least 3 months before the expiry of the valid recognition. Failure to submit application in time may lead to automatic lapsing of the recognition & registration.
***However, the certificate of registration is not issued to SIROs engaged in activities falling within the definition of 'hospital' as per notification No. 51/96-Cus. Dt. 23.07.1996 issued by the Department of Revenue.*
4. The recognition of DSIR does not amount to approval u/s 35(1)(ii)/(iii) of Income Tax Act, 1961.
5. The registration will entitle the SIROs to avail of custom duty exemption on purchase of equipment, instruments, spares thereof, consumables, etc. used for research and development subject to relevant Government policies in force from time to time. Custom duty exemption has to be separately dealt with the customs authorities. The SIROs should abide by the terms & conditions of the customs notifications issued/amended from time to time.
6. Separate books of accounts shall be maintained by the SIRO for research & development activities and the R&D expenditure, both capital and recurring should be reflected the Annual Report and Statement of Accounts of the Organization in separate schedules.
7. Disposal/sale of equipment and products/prototypes/intermediates, if any, emanating from the R&D/pilot plant, should be intimated to DSIR immediately. The realization, if any, from above or any services rendered etc. shall be shown in the R&D accounts of the organization as income of the SIRO in the audited accounts as well as annual report and should be used or reinvested for research activities only. In case of disposal/sale of R&D equipment, clearance from custom authorities will also be required in view of the applicable notifications under which the equipment was imported/purchased in India.
8. Accelerated depreciation allowance as per Rule 5(2) of Income Tax Rules 1962 will be available on investments on plant & machinery by any industrial unit which has made these investments for the purpose of commercialization of technology/know-how acquired from a SIRO recognition by DSIR.
9. Brief summary of the achievements of the organization shall be submitted to the DSIR every year. This should include details related to papers published, patents obtained and process developed, new products introduced, awards & prizes received, copy of Annual Report and Statement of Accounts of the organization etc. List of equipment, instruments, parts and consumables imported/purchased using the duty exemption should also be submitted to DSIR along with the Annual Report.
10. Any violation of the terms & conditions mentioned-above and / or provisions of taxation in force will make the organization liable to de-recognition.
11. The organization will also conform to such other conditions for recognition stipulated in the Guidelines or as may be specifically provided in the recognition letter.

ASSESSMENT METHODOLOGY FOR SLOW LEARNERS AND ADVANCED PERFORMERS

The Department identifies the slow learners and advanced learners by their formative and summative performance in their internal examinations as well as observation by their teachers and mentors.

MEASURABLE CRITERIA FOR SLOW PERFORMERS

- Students scoring less than 50% marks in Internal theory exams
- Students scoring less than 50% in practical and in viva voce
- Students having attendance percentage less than 75%

DETAILS OF SPECIAL PROGRAMMES :

Special programs for slow learners (Actions taken to improve slow learners are) (FROM 2018-2023)
1. Conducting remedial classes after college hours.
2. Small group discussion and Tutorials. Repeating each learning point more number of times.
3. Conducting revision classes for topics requiring repetition
4. One to one attention is paid
5. Mentorship program
6. Guide them about main key points in a topic
7. Provision of self learning materials as previous year Question papers and Question Banks. Large topics are divided into smaller portions and test papers are conducted.
8. Periodic retests
9. Students underperforming due to lack of proficiency in English language are identified, and concepts are explained to them in their native language. These students are encouraged by subject teachers and mentors to answer back in English language alone to improve their language proficiency.

Details of outcome measures

- Weak Students performance improved
- Increase in confidence among the students identified
- Improvement in understanding the subject by the students.
- Increase percentage in the marks during exams was identified.

MEASURABLE CRITERIA FOR ADVANCED LEARNERS

- Students scoring more than 75% marks in Internal theory exams
- Students scoring more than 75% in practical and in viva voce
- Students having attendance percentage more than 85%

DETAILS OF SPECIAL PROGRAMMES :

Special programs for advanced learners
Encouragement to get involved in various research projects .(ICMR-STs PROJECT)
Encouragement to participate in Quiz competitions and Essay writing competitions.
Encouragement to present posters and papers in various State and National conferences
Encourage for scholarships / Awards/ certificates and cash prizes.

Encouragement to participate in inter college events
--

Encouraging them to set high career goals.
--

Details of outcome measures

- Increase in number of students participation in various competitions .
- Increase in number of students participation in ICMR-STS PROJECT
- Increase in number of students went for the internship.
- Increase in number of students getting university ranks

Proofs for 2.2.1

SRI VENKATESWARA INSTITUTE OF MEDICAL SCIENCES, TIRUPATI
DEPARTMENT OF BIOCHEMISTRY

DT: 27.10.2022

CIRCULAR

The faculty is assigned as course in-charges for the academic year 2022-2023 as follows:

COURSE	COURSE IN-CHARGE
MD	Dr. Aparna R. Bitla
MBBS	Dr. M. M. Suchitra, Dr T. Silpa
BSc Paramedical, BSc-MLT, & Interns	Dr. N. Harini Devi, Dr. M. Kusuma Kumari
MSc 1 st yr(BT BI, Dialysis)	Dr V.S. Kiranmayi
BPT	Dr. M. Kusuma Kumari
BSc N	Dr. T. Silpa

The responsibilities of the course-in-charges:

1. Scheduling of classes.
2. Maintenance of the attendance registers and the display of the monthly attendance in the dept notice board.
3. Conducting the IA and pre-final examinations, tabulation and preparation of the final IA marks to be sent to the academic section.
4. Planning and proposing the training programme.
5. All courses in-charges should interact one to one with the Head of the department regarding matters pertaining to the respective course for any decisions to be taken.
6. Course in-charge for BSc (N) should take care of all the classes (n=15) allotted for the course.

Subjects: Submitting the approval status of ICMR (STS) projects 2019

Sir,

Three students for whom the ICMR-STs project proposals were approved for taking up the research work had successfully completed the research work in the department of Biochemistry, SVIMS and subsequently submitted the same for approval to ICMR. The status of the three projects is herewith enclosed for your perusal.

Thanking you,

Yours sincerely,

Dr PVLN Srinivasa Rao
