CHAPTER – I

**Conferences attended,
Lectures delivered and papers
presented by the faculty with
the Financial Assistance
under SBAVP Scheme**

The Faculty who are on regular appointment are encouraged to attend the conferences, Seminars, Symposia, Workshops, Congress, CMEs etc., to share their knowledge and to learn the latest trends in Medicine and patient care. Each faculty is permitted with financial support for their travel, Accommodation, Registration fees etc., to attend four such academic occasions in India during a financial year and to attend academic activity abroad, once in two years provided they have presented a paper/poster or chaired a session or participated in a symposium. The Financial support is met from SBAVP Scheme.

1. ANAESTHESIOLOGY

2010

Paper presentations :

1. Dr.V.Sathyannarayana, Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Inadvertent introduction of Nasogastric tube into lungs leading to hypoventilation".
2. Dr.Andal, Associate Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Ventilator associated pneumonia in a patient undergoing treatment for organo phosphorus poisoning".
3. Dr.N.Hemanth, Assistant Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Anaesthetic Management of Morbidly obese patient posted for laparoscopic cholecystectomy".
4. Dr.Krishna Simha Reddy, Assistant Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Submental intubation".
5. Dr.V.Sathyannarayana, Professor Chaired a session at 26th South Zone and 34th Kerala State Conference of Indian Society of Anaesthesiologists (ISZISACON -2010) at Thrissur from 24.09.2010 to 26.09.2010.
6. Dr.N.Hemanth, Asst. Professor attended 59th National ISACON -2010 conference from 26.12.2010 to 29.12.2010 at Lucknow and presented a paper "Comparative study between intrathecal bupivacaine with ketamine for lower abdominal lower limb surgeries".

2011

7. Dr.V.Sathyannarayana, Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Inadvertent introduction of Nasogastric tube into lungs leading to hypoventilation".
8. Dr.Andal, Associate Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Ventilator associated pneumonia in a patient undergoing treatment for organo phosphorus poisoning".

9. Dr.N.Hemanth, Assistant Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Anaesthetic Management of Morbidly obese patient posted for laparoscopic cholecystectomy".
10. Dr.Krishna Simha Reddy, Assistant Professor attended 19th A.P.State Annual Conference of Indian Society of Anaesthesiologists (ISAAPCON-2010) at Nellore from 17.09.2010 to 19.09.2010 and presented a paper "Submental intubation".
11. Dr.V.Sathyanarayana, Professor Chaired a session at 26th South Zone and 34th Kerala State Conference of Indian Society of Anaesthesiologists (ISZISACON -2010) at Thrissur from 24.09.2010 to 26.09.2010.
12. Dr.N.Hemanth, Asst. Professor attended 59th National ISACON -2010 conference from 26.12.2010 to 29.12.2010 at Lucknow and presented a paper "Comparitive study between intrathecal bupivacaine with ketamine for lower abdominal lower limb surgeries".

2012

Conferences attended, lectures delivered, chaired sessions

Dr M. Hanumantha Rao, attended the following conferences.

National

13. The ITC – 2012, Hyderabad during 24-26 February 2012 and chaired a session
14. The ITACCS -2012, Hyderabad during 24-26 February 2012 and chaired a session.
15. The TEE – 2012, Bangalore during 04-06 August 2012 and chaired a session
16. The ISAPCON – 2012, Warangal during 11-14 October 2012 and chaired a session and delivered lecture on "One lung ventilation".
17. The ISACON – 2012, Indore, during 25-30 December 2012 and delivered lecture on "ARDS & Difficult airway (Panel discussion)".
18. The ISACON – 2012, Mumbai, during 26-29 December 2012 and chaired a session.

International

19. SEPSIS – 2012, Paris during 07-09 November 2012, presented two posters and abstracts are published in "SEPSIS" journal.

Dr V. Satyanarayana, attended the following conference

20. ISNACC – 2012, Bhopal during 10-12 February 2012 and delivered lecture on "Anaesthetic complications of spine surgery".

Dr Aloka Samantaray, attended the following conferences

21. ISAJAC –EZ, Bhubaneswar on 14th September 2012 and delivered lecture on, "Keeping abreast of thoracic anaesthesia".
22. ISACONS -2012, Indore on 28th December 2012 and delivered lecture on, "Multiplane TEE".

Dr P.J. Subhadra, attended the following conferences

23. CASCO – 2012, Coimbatore during 10-12 August 2012 and delivered lecture on, "Low flow anaesthesia".

24. AOA – 2012, New Delhi on 07th September, 2012 and delivered lecture on, “IV Analgesia for labour”.

Dr A. Krishnasimha Reddy, attended the following

25. The ITACCS -2012, Hyderabad during 24- 26 February 2012 and presented a paper on, “Anaesthetic Management polytrauma with abdominal injury and splenectomy”.
26. The ISAPCON – 2012, Warangal during 11-14 October 2012 and presented a paper on, “Anaesthetic management of non missile penetrating spinal injury”.

Dr N. Hemanth, attended the conference

27. The ISAPCON – 2012, Warangal during 11-14 October 2012

Dr M. Madusudhan, attended the workshop

28. Cardiac Anaesthesia Update – 2012, Chennai during 17-18 November 2012.

Dr K. Vinay, attended the workshop

29. Cardiac Anaesthesia Update – 2012, Chennai during 17-18 November 2012.

2014

Conferences attended, lectures delivered, sessions chaired

Dr M.Hanumantha Rao, attended the following

National:

1. The 29th Annual south zone ISA Conference PONSZAC – 2013 at Puducherry during 23 -25 August, 2013 and delivered a lecture on “Systematic Approach to Pre – Operative assessment & Optimisation”.
2. The 22nd AP State annual Conference ISA APCON – 2013, Mamata Medical College, at Khammam during 25- 27 October, 2013 and delivered a guest lecture “Anaesthetic Management of IHD patient for non cardiac surgery”.
3. The 05th annual Conference (ICACON – 2013, Bhopal Memorial Hospital & Research Centre, at Bhopal during 23 -24 November, 2013 and delivered a guest lecture “A.B.G.! what a clinician should know”.
4. The ISACON - 2013, Guwahati, during 26-29 December, 2013 and chaired a session and participated in panel discussion “Perioperative Management of Diabetes mellitus”.

Dr Aloka Samantaray attended the following

1. The APRESCON 2013, GSL Medical College, Rajahmundry during 6-7 July, 2013 and conducted a workshop on Mechanical Ventilation.
2. The 22nd AP State annual Conference ISA APCON – 2013, Mamata Medical College, at Khammam during 25- 27 October, 2013 and delivered a guest lecture “Weaning from Mechanical Ventilation”.
3. The 4th Annual National Conference NAC - 2013, North Bengal Medical College & ISA City Branch, Siliguri Sushrutanagar, Darjeeling during 8 -10 November, 2013 and delivered a guest lecture “Aspiration Prophylaxis and prevention”.
4. The ISACON - 2013, Gauhati, during 26-29 December, 2013 and panel list for paediatric session “Foregin Body Aspiration”.

Dr P.J.Subhadra, attended the following conferences

1. The 29th Annual south zone ISA Conference PONSZAC – 2013, at Puducherry during 23 -25 August, 2013 and chaired a session for free papers.
2. The AOA – 2013, Mangalore, during 4 – 6 October, 2013 and delivered a guest lecture “Thromboembolic Disease of Pregnancy”.
3. The ISACON - 2013, Gauhati, during 26-29 December, 2013 and Panel Discussion on “How to Increase Public Awareness On Anaesthesia”.

Dr Andal Venkataraman, attended the following conferences

1. The 29th Annual south zone ISA Conference PONSZAC – 2013, at Puducherry during 23 -25 August, 2013 presented poster presentation “Effects of intravenous diltiazem or esmolol on haemodynamic responses to laryngoscopy & endotracheal intubation”
2. The ISACON - 2013, Gauhati, during 26-29 December, 2013 and presented a paper presentation “Management of parietal glioma a patient with severe mitral stenosis”.

Dr A. Krishnasimha Reddy, attended the 22nd AP State annual Conference ISA APCON – 2013, Mamata Medical College, at Khammam during 25- 27 October, 2013 and delivered a guest lecture “Anterograde with retrograde intubation in difficult airway situations”.

Dr N. Hemanth attended the World Pain Symposium – 2013, Oberoi Grand, at Kolkata, West Bengal, during 14- 17 November, 2013 and participated in workshop.

Dr P. Hemalalatha, attended the ISA Tirupati chapter during July, 2013 and delivered a guest lecture “A case report of emergency appendectomy with pacemaker”.

Dr M. Madusudhan, attended the Cardiac Anaesthesia Updated – 2013, SRMC Chennai during 22 -24 November, 2013

Dr Vinay. K, attended the Cardiac Anaesthesia Updated – 2013, SRMC Chennai during 22 -24 November, 2013

Dr A. Muralidhar, attended the Cardiac Anaesthesia Updated – 2013, SRMC Chennai during 22 -24 November, 2013.

2015

Conferences attended, lectures delivered, sessions chaired

Dr M. Hanumantha Rao, attended the following

1. CME program at NIMHANS and delivered lecture on “Pediatric Neuroanesthesia” in Bangalore on 18th January 2015.
2. The Workshop organized by “American Heart Association certified BLS and ACLS” at JIPMER, Pondicherry during 12-14 February 2015.
3. TRISZAC-2015, the 31st South Zone Anaesthesia conference and 39th Annual Conference of Kerala state chapter of Indian society of Anaesthesiologists and delivered Guest Lecture on “Anaphylaxis under anaesthesia” at Kerala during 6-9 August 2015.

4. Conference by Baxter and delivered Guest Lecture on "Intravenous fluids convergence" at Hotel Marriott, New Delhi on 13th September 2015.
5. The 25th National Annual conference of Research Society of Anaesthesiology and Clinical Pharmacology and chaired a session on "Anaesthesia for foreign body bronchus." at Amritsar, Punjab during 2-4 October 2015.
6. CME on Thoracic and Vascular surgeons of India and chaired session for "Anaesthesia for Lung transplant and Ventilator associated Pneumonia" at SVIMS University, Tirupati during 21-22 November 2015.

Dr Aloka Samantaray, attended the following

1. TRISZAC-2015, the 31st South Zone Anaesthesia conference and 39th Annual Conference of Kerala state chapter of Indian society of Anaesthesiologists and participated in panel discussion at Kerala during 6-9 August 2015.
2. Zonal CME for post graduates and delivered a guest lecture "GA is the best anesthetic option for a patient with moderate to severe Aortic stenosis posted for total knee replacement" at Vijayawada on 30th August 2015.
3. IACTS Physiology of MIDTERM CME of Indian association of Cardiovascular and thoracic surgeons and delivered a guest lecture "Anaesthesia for thoracic surgery" at SVIMS, Tirupati during 21-22 November 2015.
4. The ISACON - 2015 and delivered a lecture "High frequency Oscillatory ventilation-How relevant?" at Jaipur during 25-29 December 2015.

Dr P.J. Subhadra, attended the following conferences

1. TRISZAC-2015, the 31st South Zone Anaesthesia conference and 39th Annual Conference of Kerala state chapter of Indian society of Anaesthesiologists and participated in panel discussion at Kerala during 6-9 August 2015.
2. The 9th National IACTA- TEE conference and participated a chairperson at Bangalore, during 21-23 August 2015.
3. The AOACON - 2015 conference and delivered a work shop lecture on "Maternal Cardiac Arrest" at Hyderabad during 10-13 September 2015.
4. The 3rd OFISACON – 2015 conference and chaired a session at AIIMS, New Delhi during 17-18 October 2015.
5. The ISACON – 2015 and chaired a session at Jaipur during 25-29 December 2015

Dr Andal Venkataraman, attended the ISACON – 2015, 2015 and chaired a session and participated in panel discussion at Jaipur during 25-29 December 2015.

Dr N. Hemanth, attended the following

1. RACE – 2015 CME conference at Chennai during 2015.
2. The Ganga Anaesthesia Refresher Course – 2015 at Coimbatore during 26-28 June 2015.
3. 25th National Conference of Research Society of Anaesthesiology and Clinical Pharmacology (RSACPCON) – 2015, presented a paper on "Comparison of upper bite test with other four airway predictors for predicting difficulty in intubation." at Amritsar during 2-4 October 2015.

Dr P. Hemalalatha, attended the following

1. National Airway Conference 2015 (NAC 2015) at Sher-i-Kashmir Institute of Medical Sciences, Srinagar during 18 - 20 September 2015.
2. Guest lecture on Anaesthesia for thoracic surgery and IACTS Physiology of midterm CME of Indian association of Cardiovascular and thoracic surgeons at SVIMS, Tirupati during 21-22 November 2015.

Dr M. Madusudhan, attended the following

1. The Workshop "American Heart Association certified BLS and ACLS" at JIPMER, Pondicherry during 12-14 February 2015.
2. TRISZAC-2015, the 31st South Zone Anaesthesia conference and 39th Annual Conference of Kerala state chapter of Indian society of Anaesthesiologists at Kerala during 6-9 August 2015.
3. 5th National Conference of Academy of Regional Anaesthesia of India (AORA) – 2015 at Bangalore during 25 – 27 September 2015.

Dr Vinay.K, attended the following

1. TRISZAC-2015, the 31st South Zone Anaesthesia conference and 39th Annual Conference of Kerala state chapter of Indian society of Anaesthesiologists at Kerala during 6-9 August 2015.
2. 5th National Conference of Academy of Regional Anaesthesia of India (AORA) -2015 at Bangalore during 25 – 27 September 2015.
3. NAC, TMH (TATA Memorial Hospital) conference at Mumbai during 4-6 December 2015.

Dr A. Muralidhar, attended the Workshop "American Heart Association certified BLS and ACLS" at JIPMER, Pondicherry during 12 – 14 February 2015.

2. ANATOMY

Conferences attended, Lectures delivered

Dr V. Subhadra Devi attended the following conferences

1. Chaired a scientific session in 12th A.P.State Anatomists meet held at NRI Medical College Chinakakani, Guntur during 20-21 July 2013.
2. Chaired a scientific session in 61st National conference of Anatomical society of India and pre-conference CME cum Workshop entitled "Clinical and Surgical Insight into Cardiac Anatomy and Malformations" held at Postgraduate Institute of Medical Education & Research, Chandigarh during 22nd, 23rd – 25th November, 2013.
3. Basic Level workshop on Medical Education Technology and delivered a lecture on Introduction to Microteaching conducted at S.V. Medical College, Tirupati during 9th December to 11th December 2013.
4. K.Thyagaraju attended the Zonal CME for Postgraduates conducted by Dr NTR University of Health Sciences at S.V. Medical College, Tirupati on 30.03.2013

2012

Conferences attended, lectures delivered, chaired sessions

Dr P.V.L.N. Srinivasa Rao, attended the following conferences

1. The Quality council of India and Bio-Rad laboratories Ltd held on 15th March 2012 and delivered lecture on, "Need for quality control in modern clinical chemistry".
2. CME on "Inborn errors in neonates" conducted by the department of Biochemistry and Paediatrics at SDU Medical College, Kolar on 10th October 2012 and delivered lecture on, "Biochemical basis of inborn errors of metabolism".

2013

Conferences attended, lectures delivered & presentations

Dr PVLN Srinivasa Rao attended and delivered guest lecture at 1st state level conference of association of medical biochemists karnataka chapter (AMBKC) on 13th sept-2013, J.J.M. Medical College Davangere, Karnataka.

Dr Aparna R. Bitla, attended the following conferences

1. Attended 40th National conference of the Association of clinical Biochemists of India 2013 at New Delhi and presented a paper titled, 'Oxidative stress in patients with contrast-induced nephropathy following coronary angiography'.
2. Delivered a guest lecture on 'Endothelial dysfunction' at S.V.University on 14th February 2013.
3. Delivered a lecture on 'Mechanisms of microvascular complications of diabetes' at the 3rd national conference of State chapter of RSSDI on 3rd March 2013.

Dr Suchitra M.M, attended the following conferences

1. 21st AMBICON 2013 Annual national conference at Ludhiana chaired a session and given a oral presentation on "Cardiovascular risk factors in pediatric obesity"
2. Attended and participated as member of organizing committee for 3rd National conference of State chapter of RSSDI 2013.

2014

Conferences attended, lectures delivered

National

Dr PVLN Srinivasa Rao, attended the following

1. 5th National Seminar on Bioinformatics conducted by SVIMS, Tirupati during 14-15 February 2014 and chaired a session on 14th February 2014.
2. National Physiotherapy conference (PHYSIOSVIMS 2014) conducted by SVIMS, Tirupati during 19-20 December 2014 and chaired a session on 19th December 2014.
3. National Conference BAPU-2014 conducted by SVIMS, Tirupati and delivered lecture on "Research Methodology" on 7th September 2014.
4. 22nd Annual National Conference of Medical Biochemists of India (AMBICON) - 2014 held at Tirupati during 14-16 November 2014 and delivered lectures on "Evolution of clinical chemistry laboratory" and "Immuno assays - Instrumentation".

Dr M.M. Suchitra, attended the following

1. 5th National Seminar on Bioinformatics conducted by SVIMS, Tirupati during 14-15 February 2014 and chaired a session on 15th February 2014.
2. CME on Metabolic syndrome by SVIMS, Tirupati and delivered lecture on "Journey to Metabolic syndrome" on 26th April 2014.
3. 22nd Annual National Annual Conference of Medical Biochemists of India, AMBICON - 2014 held at Tirupati during 13-16 November 2014 and delivered lecture on "Basics of Immuno chemical techniques" for the preconference work shop.

Dr Aparna R. Bitla attended the 22nd Annual National Conference of Medical Biochemists of India (AMBICON) - 2014 at Tirupati during 14-16 November 2014 and delivered lecture on 'Acute kidney injury- Biochemical Aspects' in the symposium on "Acute Kidney injury"

Dr V.S. Kirnamayi, attended the 22nd Annual National Conference of Medical Biochemists of India (AMBICON)-2014 at Tirupati during 14-16 November 2014 and delivered lecture on "Link between immunity and inflammation".

2015

Conferences attended, lectures delivered :

National

PVLN Srinivasa Rao, attended and awarded fellowship at the 23rd Annual National Conference of Association of Medical Biochemists of India, AMBICON - 2015 held at Rohtak, Haryana state during 19th-22nd November 2015

4. BIOINFORMATICS

2010

Conferences attended, lectures:

1. Umamaheswari A. Computational approach to explore novel lead molecules against microbial pathogens was presented as Invited Lecture in National workshop on recent trends in Bioinformatics from 25-26, June organized by Dept. of zoology, SV University, Tirupati.

National

1. Priyadarshini I.V., Pradhan D., MuniKumar M. and Umamaheswari A. Structural insight to *Streptococcus mitis* thymidylate kinase: a potential common drug target of infective endocarditis drug discovery, was presented and published in National Seminar on microorganisms in Biotechnology: Perspectives in human health from 29-30 October 2010. The paper obtained *1st best poster award* in the workshop.
2. Praneetha A., Pradhan D., Priyadarshini I.V., MuniKumar M. and Umamaheswari A. Analysis of binding properties of VP2 protein of *Human parvovirus B19* through *in silico* molecular docking, in VIROCON-2010 from 18-20, March, organized by SV University, Tirupati.

International:

1. Naveen K, Pradhan D., MuniKumar M. and Umamaheswari A. Docking studies to explore novel lead molecules for human Spleen tyrosine kinase involved in chronic lymphocytic leukemia, accepted for presentation at 2nd International seminar on Medicinal plants and herbal product to be organized from 27-29 December, 2010.
2. Harika M., Pradhan D., MuniKumar M. and Umamaheswari A. Lead identification and docking studies of metastatic protein human mitogen activated protein kinase4, accepted for presentation at 2nd International seminar on Medicinal plants and herbal product to be organized from 27-29 December, 2010.
3. Durga devi M., Pradhan D., MuniKumar M. and Umamaheswari A. Implementation of computational methods for designing potential inhibitors against human p38 α protein, accepted for presentation at 2nd International seminar on Medicinal plants and herbal product to be organized from 27-29 December, 2010.
4. Naga Lakshmi M., Pradhan D., MuniKumar M. and Umamaheswari A. Identification of potent inhibitors for p38 δ MAPKinase of human through *in silico* analysis, accepted for presentation at 2nd International seminar on Medicinal plants and herbal product to be organized from 27-29 December, 2010.

5. Mahesh Babu G., Pradeep N., Pradhan D., MuniKumar M. and Umamaheswari A. *In silico* identification of potential inhibitors for human aurora kinase b, accepted for presentation at 2nd International seminar on Medicinal plants and herbal product to be organized from 27-29 December, 2010.
6. Ganesh N., Pradhan D. and Umamaheswari A. Designing Novel Lead Molecules For Human Ribosomal Protein S6 Kinase Beta-1 Involved In Cancers: Ligand Based Virtual Screening Approach, was presented and published in International Conference on recent Advances in Bioinformatics; from 3-5, September 2010, organized by Kalinga Institute of Industrial Technology, Bhubaneswar.
7. Nagapriya M., Pradhan D. and Umamaheswari A. In Silico Analysis To Explore Novel Inhibitors For Human Proto-oncogene Tyrosine Protein Kinase Src, was presented and published in International Conference on recent Advances in Bioinformatics; from 3-5, September 2010, organized by Kalinga Institute of Industrial Technology, Bhubaneswar.
8. Pradeep N., Pradhan D. and Umamaheswari A. Designing Potent Inhibitors Of Human p38 β For Effective Breast Cancer Therapy, was presented and published in International Conference on recent Advances in Bioinformatics; from 3-5, September 2010, organized by Kalinga Institute of Industrial Technology, Bhubaneswar.
9. Sandeep S., Pradhan D. and Umamaheswari A. Identification of Potent Leads for Human cAMP Dependent Protein Kinase Catalytic Subunit Alpha: A Strategic Application of Virtual Screening for Cancer Therapeutics, was presented and published in International Conference on recent Advances in Bioinformatics ; from 3-5, September 2010, organized by Kalinga Institute of Industrial Technology, Bhubaneswar.
10. Karuna J.S., Pradhan D. and Umamaheswari A. Computerized Protein Modeling and Molecular Docking Analysis of Human Proto Oncogene Tyrosine Protein Kinase YES for Discovery of Novel Lead Molecules, was presented and published in International Conference on recent Advances in Bioinformatics; from 3-5, September 2010, organized by Kalinga Institute of Industrial Technology, Bhubaneswar.
11. Vijayasree P., Pradhan D. and Umamaheswari A. Ligand Based Virtual Screening to Design Novel Human MEK1 Protein Inhibitors for Potential Development of Drugs Against Melanoma, was presented and published in International Conference on recent Advances in Bioinformatics; from 3-5, September 2010, organized by Kalinga Institute of Industrial Technology, Bhubaneswar.
12. Prasanna Kumar G., Pradhan D. and Umamaheswari A. In Silico Analysis and Identification of Potent Inhibitors for Human Serine/Threonine Protein Kinase PIM-3 Involved in Hepatic Cancer, was presented and published in International Conference on recent Advances in Bioinformatics; from 3-5, September 2010, organized by Kalinga Institute of Industrial Technology, Bhubaneswar. The paper obtained *2nd best poster award* in the conference.

The paper obtained *2nd best poster award* in the conference.

2012

Paper Presentations

During the International Conference on Environment impact on human health and therapeutic challenges organized by Dept. of virology, SV University, AP, India during 20-22 December 2012, the following papers were presented:

1. Munikumar M, Priyadarshini I.V., Pradhan D, Sandeep S, Pradeep N, Hema K and Umamaheswari A. In silico identification of common putative drug targets among the pathogens of bacterial meningitis
2. Priyadarshini I.V., Pradhan D, Munikumar M, Sandeep S, Pradeep N, Hema K and Umamaheswari A. *In silico* identification of potential inhibitors against acetyl-coA carboxylase, biotin carboxyl carrier protein associated with infective endocarditis
3. Pradhan D, Priyadarshini V, Munikumar M, Sandeep S, Pradeep N, Hema K and Umamaheswari A Discovery of potent MurC inhibitor of *Leptospira interrogans* through structure based drug designing.

During the National conference on pharmaceutical industry and academic partnership-for professional excellence organized by Sri Padmavathi Mahila Visvavidyalayam (Women's University) Tirupati, from 5- 6 October 2012.

4. Priyadarshini IV, Pradhan D, Munikumar M, Sandeep S, Pradeep N, Hema K, Umamaheswari A. In silico identification of potential inhibitors against acetyl-coA carboxylase, biotin carboxyl carrier protein associated with infective endocarditis
5. Lakshmi Narayana Rao C, Ramesh G, Pradhan D, Umamaheswari A. Structure based virtual screening to discover potent antagonists for human PPIF: a drug target of cardiovascular disease
6. Geetha Y, Munikumar M, Umamaheswari A. Identification of novel human growth factor receptor bound protein2 activators through docking studies
7. Reshma, Hema K, Umamaheswari A. Structure based virtual screening to design novel potent inhibitors for human alpha-1-acid glycoprotein (ORM1) involved in cardiovascular diseases
8. Althaf Basha B, Pradeep N, Umamaheswari A. Virtual screening design drug molecules for human Cathepsin D
9. Sandhya A, Sandeep S, Umamaheswari A. Identification of novel agonist for human apolipoprotein A-1 using structure based virtual screening.

During the conference on Advanced biopharmaceutical strategies-A regulatory perspective (ABS 2012) organized by Sree Vidyanikethan College of Pharmacy, Tirupati, during 13 -14 July 2012

10. Deepthi Reddy D, Navya P, Umamaheswari A. Discovery of novel inhibitors for human macrophage colony stimulating factor1 receptor (CSF1R) through molecular docking studies.
11. Prasad D, Pradhan D, Umamaheswari A. Docking studies to discover novel therapeutic antagonists for human sulfhydryl oxidase1.

12. Tejaswi G, Sandeep S, Umamaheswari A. Structure based virtual screening to design novel activators for human HCFII involved in cardiovascular diseases
13. Anila N, Hema T, Umamaheswari A. In silico analysis to explore novel antagonists for human insulin like growth factor binding protein-1 (IGFBP-1) involved in cardiovascular diseases
14. Aswini SR, Priyadarshini IV, Umamaheswari A. Strategic molecular docking to explore novel inhibitors against human complement component c8 alpha chain
15. Keerthi kumari, Munikumar M, Umamaheswari A. Discovery of novel human ficolin-3 activators based on molecular docking studies
16. Priyadarshini IV, Pradhan D, MuniKumar M, Sandeep S, Umamaheswari A. Genome-based approaches to develop epitope-driven subunit vaccines against infective endocarditis was presented and published in National Seminar on Emerging Trends in Biotechnology: Challenges and Opportunities organized by Dravidian University, Kuppam during 13-15 March 2012.
17. Navya PK, Divya M, Hema K, Umamaheswari A. In silico design of potent agonists for human PPAR gamma, was presented and published in National Conference on Modern Innovations and Approaches in Biotechnology (NCMIAB-2012), organized by Sri Padmavathi Mahila Visvavidyalayam (Women's University) Tirupati during 29 February - 1st March 2012.
18. Priyadarshini IV, Pradhan D, Munikumar M, Umamaheswari A. Structure based virtual screening towards identification of potential thioredoxin reductase inhibitors for infective endocarditis therapy, was presented and published in National conference on Biotech and Biotech Molecules - their Health effects and Therapeutic applications (BAMHT-2012), organized by S.V University, Tirupati during 24-25 February 2012.
19. Hema K, Harika M, Navya P, Umamaheswari A. In silico identification of potential antagonists for human Casein kinase II subunit alpha, was presented and published in National Seminar on Advances in Microbial Technology organized by Sri Padmavathi Mahila Visvavidyalayam (Women's University) Tirupati during 13-14 February 2012.
20. Pradhan D, Priyadarshini IV, Munikumar M, Sandeep S, Umamaheswari A. Homology modeling, docking and molecular dynamics simulations for designing potential inhibitors against KDO-8-phosphate synthase of *Leptospira interrogans*, was presented and published in National Symposium on Bioinformatics: Bioinformatics: Challenges in the post-genomic era organized by University of Jammu, Jammu, on 2nd February 2012.

2014

Lectures delivered

Dr A. Umamaheswari, delivered lead talks on

1. "Role of Bioinformatics in Life Science I" in UGC refresher course organized by Dept. of Virology, SV University AP, India on 9th November 2013.
2. "Role of Bioinformatics in Life Science II" in UGC refresher course organized by Dept. of Virology, SV University AP, India on 16th November 2013.
3. "Plant drug bio-informatics" conducted by the Dr P. Kothandarami Reddy, Director i/c, UGC - ASC, S.V. University, Tirupati on 8th February, 2013.

Mr. Dibyabhaba Pradhan, delivered talk on Role of molecular docking in rational drug design in 16th Workshop on Biomedical Informatics and applied Tools & Techniques

at Mahatma Gandhi Institute of Medical Sciences, Sevagram during 2-3 December 2013.

Presentations in Conference

1. Munikumar M, Priyadarshini V, Pradhan D, Swargam S Pradeep N, Hema K and Umamaheswari A. "Discovery of potential lead molecules for lumazine synthase through different docking strategies" in international conference on biotechnology and human welfare, organized at SASTRA University, Thanjavur, Tamil Nadu during 6- 9 December 2013.
2. Pradhan D, Priyadarshini V, Munikumar M, Sandeep S, Pradeep N, Hema K and Umamaheswari A "Multiple Docking Strategies, Prime/MM-GBSA Calculations and Molecular Dynamics Simulations for Lead Discovery against *Leptospira interrogans*", in "Recent advances in computational drug design" organized at Indian Institute of Science, Bangalore during 16 -17 September 2013.

At the National Seminar on "computer aided drug design" organized by Bioinformatics center, SVIMS University, Tirupati, during 15 – 16 February 2013

3. Priyadarshini V, Pradhan D, Munikumar M, Sandeep S, Pradeep N, Hema K and Umamaheswari A, "Discovery of potent AccD inhibitors for the pathogens of infective endocarditis through homology modeling, docking, molecular dynamics simulations".
4. Hema K, Pradeep N, Sandeep S, Munikumar M, Priyadarshini IV, Pradhan D, and Umamaheswari A "Prediction of agonists to human extracellular superoxide dismutase 3".

At the International Conference on 18th Conversation State University of New York, Albany NY USA during 11 - 15 June 2013 the following papers were presented

5. Priyadarshini V, Pradhan D, Munikumar M, Swargam S and Umamaheswari A. Structure-based virtual screening towards identification of potential FabH inhibitors in Albany 2013:.
6. Pradhan D, Priyadarshini V, Munikumar M, Swargam S and Umamaheswari A. Discovery of potent KdsA inhibitors of *Leptospira interrogans* through homology modeling, docking, and molecular dynamics simulations in Albany 2013: The 18th Conversation State University of New York, Albany NY USA From 11th to 15th June 2013.

Munikumar M, Priyadarshini V, Pradhan D, Swargam S and Umamaheswari A. T-cell vaccine design for *Streptococcus pneumoniae* : an *in silico* approach in Albany 2013: The 18th Conversation State University of New York, Albany NY USA From 11th to 15th June 2013.

5. BIOTECHNOLOGY

2012

Conferences attended, lecture delivered, papers presented

Dr P.V.G.K. Sarma On "Environment and human health" at Refresher course in VII R.C in environmental studies for college and university teachers on 28th December 2012 at UGC-Academic Staff College, Sri Venkateswara University, Tirupati.

2013

Conferences attended, lectures delivered

Dr PVGK. Sarma, attended the following conferences and lectures delivered

1. Visited UGC-ASC, Sri Venkateswara University, Tirupati (06.02.13-07.02.13) as a resource person and delivered lecture. Genetic engineering-Plants-1, Plants-2 to the teacher participants during VII R.C in Botany.
2. Attended DRW College, Gudur as a Board of Studies member in Human Nutrition and Nutritional Chemistry on 30.10.2013.
3. Visited UGC-ASC, Sri Venkateswara University, Tirupati as a resource person and delivered lecture on 31.10.2013. The role of Genetic engineering in the development of modern medicine to the Life Sciences college and University teachers.
4. Delivered invited lecturer in 5th Congress of Federation of Indian Physiological Societies "Physiology, Ethnopharmacology, Biotechnology and Health Therapeutics (PEBHT-2013)" during 17th December, 2013.
5. Attended 82nd Annual Meeting of the Society of Biological Chemistry (India) and International Conference on Genomes: Mechanism and Function held on 2-5 December, 2013.

Dr C. Bhuvaneshwari Devi, attended the following conferences

1. Bhuvaneshwari Devi C, Kiran Kumari K. Reversal effect of vitamin E against cadmium induced changes in enzymes of energy metabolism in specific region of rat brain. In 5th Congress of Federation of Indian Physiological Societies "Physiology, Ethnopharmacology, Biotechnology and Health Therapeutics (PEBHT-2013)" during 17-19 December, 2013.
2. Bhuvaneshwari Devi C, Kiran Kumari K, Hari Prasad Reddy G. Protective role of α -tocopherol against arsenic induced oxidative damage in different brain regions of albino rat. In international symposium on environmental pollution, nutrition and genetics. A specific symposium on cancer biology and therapeutics (IEPNG) during 27-29 December, 2013.
3. Attended UGC sponsored Refresher Course in Life sciences in S.V.U Academic Staff College for 21 days from 21.10.13-16.11.13 and secured A grade.

2014

Conferences attended, lectures delivered

International

1. Dr PVGK. Sarma, attended the INDO-US-Workshop and delivered guest lecture on "Staphylococcus aureus biofilms- Antibiotic resistance and Bacterial antibiotics resistance and nanotechnologies" held at V. S. University, Nellore and American Society of Microbiology during 26 - 28 September 2014.
2. Dr C. Bhuvaneshwari Devi, attended the conference on Emerging science and technologies: Impact on environment and human health held at Department of Biotechnology V.S. University, Nellore and UNT Health Science centre, Texas, USA US EPA, Research triangle park, NC, USA and presented a paper on "Manganese induced cardiac mitochondrial oxidative stress: Reversal role of vitamin E" during 1-3 August 2014.

National

Dr PVGK Sarma, attended the following

1. Sciences Academics Lecture Workshop on "Advances in Biology and Biotechnology" and delivered guest lecture on "Metabolic status in Staphylococcus aureus influences biofilm formation" held at Sri Venkateswara University, Tirupati, during 2-4 April, 2014.
2. Colloquium on Stem cell Research on Human Therapeutics, jointly organized by Sri Venkateswara University, and Nichi - In Centre for Regenerative Medicine (NCRM), Chennai and delivered guest lecture on "Therapeutic importance of Human CD34+ stem cells in regenerative medicine" held at Sri Venkateswara University, Tirupati on 19th April, 2014.
3. Programme conducted by DrNTR University of Health Sciences and delivered guest lecture on "Stem cells and Periodontal regeneration in the zonal of CDE" on 25th July, 2014.
4. Invited Lecture on SWBMBT-2014 sponsored by UGC-SERO, Hyderabad organized by department of Biotechnology, Govt. Degree College, Kodur (RS), Kadapa (Dist), Andhra Pradesh and delivered guest lecture on "Basics techniques in Molecular biology (SWBMBT-2014)" during 7- 9 November 2014.

Dr C. Bhuvaneshwari Devi, attended the following

1. Sophisticated Analytical instrumentation workshop. Organized by DST Purse Centre, S.V. University, Tirupati during 24-30 March 2014.
2. Science academies lecture workshop on advances in Biology and Biotechnology. Organized by department of Biochemistry, S.V. University, Tirupati during 2 - 4 April 2014.
3. Presented Annual progress report of DST project entitled "Behavioural and neurochemical alterations of Manganese exposure in young and adult rats" in the Group Monitoring Workshop of Department of Science and Technology held at Githam University, Visakapattanam during 25 - 26 September 2014.

The National conference on Conservation of Eastern Ghats. Organized by GrACE and Dept of Botany, S.V. University, Tirupati during 4th – 5th December 2014

2015

Conferences attended, lectures delivered

International

C. Bhuvanewari Devi, K. Kiran Kumari, Archana Thakur. "Reversal Effect of Vitamin-E against Arsenic Induced Oxidative Damage and mRNA expression of Mn SOD in Liver, Kidney and Heart of Albino Rats" and C. Bhuvanewari Devi, K. Kiran Kumari. "Protective role of vitamin-E in cadmium-induced oxidative stress in rat brain". 54th Annual Meeting of Society of Toxicology in San Diego, USA in March 2015.

National

Dr C. Bhuvanewari Devi, attended the following

1. Organized International conference on Veda Science as Coordinator at SV Vedic University, Tirupati during 16-20 November 2015.
2. International E-Lecture workshop on Advances in Science & Technology in association with BioADD Centre Stanford School of Medicine Stanford University California at SPMVV, Tirupati during 22-23 June 2015.
3. UGC-SAP sponsored National Conference on Innovations in Microbial World with special session on University Industry linkage at SPMVV, Tirupati during 23-24 January 2015.

Dr PVGK. Sarma, attended the following

1. National work shop, Bioprospecting of marine bioactive compounds and natural products (BMBN-2015) and delivered lecture on the prominent role of human CD 34+ stem cells in regenerative medicine at V. S. University, Nellore during 28-30 January 2015.
2. National conference, Indian dental association A.P. Chittoor branch and delivered lecture on Sterilization and Infection control in the CDE programme of IDA chittoor branch at Sri Krishna Teja Dental College, Tirupati during 19th April 2015.

6. CARDIOLOGY

2010

Posters & Papers presented in Conferences :

1. Pulmonary artery anatomy & aorto-pulmonary collaterals in Tetralogy of Fallot. A comparative study of gadolinium enhanced 3D magnetic resonance angiography with X-ray cine Angiography by Dr.V.Ganeswara Reddy at 63rd Annual CSI Conference at Kolkata in December, 2010.

2. Role of Thrombotic Risk Factors in Acute Coronary Syndrome patients without traditional risk factors by Dr.V.Ganeswara Reddy, at 63rd Annual CSI Conference at Kolkata in December, 2010.
3. The impact of Metabolic Syndrome on Left Ventricular Function : Evaluated by using the Index of Myocardial performance with Tissue Doppler Imaging by Dr.M.L.Sreenivasa Kumar, at 63rd Annual CSI Conference at Kolkata in December, 2010.
4. TEE Mitral Valve Commissural score before PTMC as predictor of outcome of mitral valvuloplasty by Dr.C.S.Thejanandana Reddy at 63rd Annual CSI Conference at Kolkata.
5. Three Dimensional Echocardiographic Assessment before and after percutaneous Transvenous Mitral commissurotomy in patients with Rheumatic Mitral stenosis by Dr.Ch.Shashank at 63rd Annual CSI Conference, Kolkata.

2011

Conferences attended , Lectures delivered

Dr.D.Rajasekhar

6. Chaired a Scientific Session at APCS Annual Conference in Hyderabad in July, 2010.
7. Chaired a Scientific Session on Cardiac Biomarkers at CSI Conference, Kolkata in December, 2010.
8. Participated as a panelist in the Complex Cardiovascular Interventional Conference at Osaka, Japan in January, 2010.
9. ESC congress at Stockholm Sweden in August, 2010.
10. 63rd CSI Annual Conference at Kolkata, December, 2010.
11. APSCI Annual conference at Hyderabad, July, 2010.
12. TRICO Annual Conference at Ahmedabad, October, 2010.

2012

Conferences attended, lectures delivered

Dr D. Rajasekhar, attended the following

International

1. 24th Annual Scientific Symposium of Transcatheter Cardiovascular Therapeutics (TCT 2012), held at Miami, Florida; during 22-26 October 2012 as advisory faculty member.

National

2. CME at SVIMS, Tirupati on 3rd March 2012 and delivered lecture on "Thrombolytic therapy for STEMI.
3. The annual interventional council meeting of cardiological society of India and participated as a panelist at Kochi in April 2012.
4. CME of IMA Chapter Tirupati on 15th April, 2012 and delivered lecture on Primary Percutaneous Coronary Intervention for STEMI.
5. 17th A.P. chapter of Cardiological Society of India annual conference, held at Hyderabad on 8-9 June, 2012 and delivered lecture on Vitamins and heart disease.

6. "What is the optimal target for conventional risk factors for Coronary Artery Disease prevention?" in "Basics and Beyond", organized by Yashoda Hospitals, Hyderabad, on 24th June 2012.
7. 19th Annual National conference of Indian College of Cardiology held at New Delhi, from 8-9 September, 2012 and delivered lecture on Exercise testing for Chronic Stable Angina.
8. World Heart Day celebrations, organized by Kurnool Medical College, on 29th September, 2012 and delivered lecture on Current advances in management of Acute Coronary Syndromes.
9. 64th National Cardiological Society of India annual conference, held at New Delhi, during 6-9 December 2012 and delivered lecture on Low molecular weight heparins-current level of comfort in cathlab after a decade of use.

Dr Ch. Shashanka, attended the following

1. CARE Hospitals, Hyderabad, on 7th April, 2012 on Ventricular tachycardia Symposium by Dr C. Narasimhan.
2. 17th Annual A.P chapter of Cardiological Society of India conference, held at Hyderabad from 8-9 June 2012.
3. Advanced Cardiovascular Solutions India 2012, held at Hyderabad, during 2- 5 August 2012.

Dr M.L. Sreenivasa Kumar, attended the following

1. CARE Hospitals, Hyderabad, on 7th April, 2012 on Ventricular tachycardia Symposium by Dr C. Narasimhan.
2. Advanced Cardiovascular Solutions India 2012, held at Hyderabad, during 2- 5 August 2012.

Dr C.S. Thejanandan Reddy, attended the following

1. The CME at Kurnool Medical college on 29 September 2012 on the occasion of World Heart Day
2. TRICO 2012, the 8th International Transradial Intervention Course held on 3-4 November 2012 at Apex Heart Institute, Ahmedabad.
3. Frontier Postgraduate training program held at Chennai

Dr V. Ganeswara Reddy, attended the following

TRICO 2012, the 8th International Transradial Intervention Course was held on 3-4 November 2012 at Apex Heart Institute, Ahmedabad.

2013

Conferences attended, lectures delivered, Papers / posters presented:

Faculty

International

Dr. D. Rajasekhar, attended the following

1. PCR conference as Associate Faculty held at Paris during 21-24 May 2013 and participated in panel discussion on acute coronary syndromes in Asian population.
2. AICT conference as Associate Faculty held at Bangkok during 12-14 November 2013

Posters

1. "The Real World Experience of the Biodegradable Polymer-Coated Sirolimus-Eluting Coronary Stent System: Results from an "All-Comers" Single Centre Clinical Experience" and "Single Centre Experience and Outcome of Primary Percutaneous Coronary Intervention for patients with ST Segment Elevation Myocardial Infarction".

National:

Dr. D. Rajasekhar, attended the following

1. 65th Annual Conference of Cardiological Society of India (CSI-2013) conference held at Bengaluru during 5-8 December 2013 and delivered a lecture on "Outcomes of ST elevation MI in post CABG patients".
2. 20th Annual Conference of Indian College of Cardiology (ICCCON-2013) conference held at Thiruvananthapuram during 20-22 September 2013 and delivered a lecture on "Cardiac tamponade diagnosis and treatment".
3. 18th Annual Conference of AP Chapter of Cardiological Society of India (APCSI 2013) held at Kurnool during 6-7 July 2013 and delivered a lecture on "Diabetes mellitus and Cardiac problems".
4. ACVS India conference held at Hyderabad during 9-11 August 2013 and served as judge for best case presentation.
5. STEMI meet held at Delhi during 10-12 January 2013 and chaired a scientific session.
6. India Live conference held at Chennai from 28th February to 1st March 2013 and chaired a scientific session.

7. NIC meet held at Kolkata during 12-14 April 2013 and chaired a session.
8. LM summit – Hyderabad Live held at Hyderabad during 1-2 June 2013 and chaired a session.

7. CARDIOTHORACIC SURGERY

2010

Conferences and Symposiums attended

International Conferences:

1. Dr. Abha Chandra attended the "Techno College of EACTS" on Saturday 11th September, 2010 Geneva Plexpo, Geneva Switzerland.
2. Dr. Abha Chandra attended the "24th European Association of Cardiothoracic Surgeon (EACTS) Annual meeting" at Geneva, Switzerland between September 12th to 15th, 2010.

National Conferences:

1. Dr. Abha Chandra attended the "3rd Annual Conference of Venous Association of India", Bangalore from 22nd to 23rd January, 2010.
2. Dr. Abha Chandra attended the "CTCOMCON 2010 combined Annual meeting of the Asian Society of Cardiovascular and Thoracic Surgery (18th) and Indian Association of Cardiovascular Thoracic Surgeons (56th), at New Delhi between 25th February, 2010 till 1st March, 2010.

3. Dr.Abha Chandra attended the 17th Annual Conference of Vascular Society of India, Chennai from October 21 – Oct. 24. 2010.
4. Dr.Abha Chandra attended the 12th Annual Live Workshop on minimally invasive cardiac surgery at GKNM Hospital, L.R.G.Naidu Institute : Department of Cardiothoracic Surgery, Coimbatore from 13th to 14th November, 2010.
5. Dr.Abha Chandra attended the 70th Annual Conference Of the Association of Surgeons of India with an international Medical technology show" : "Where technology meets Medical Enterprises" ASICON 2010 with asitech, held at New Delhi, between 15.12.2010 and 20.12.2010.
6. Dr.Abha Chandra attended the Live Workshop "4th Aortic Summit" conducted on 8th and 9th January, 2011 at MIOT Hospitals, Chennai.
7. Dr.Abha Chandra attended the Live workshop on "Minimal access Cardiac Surgery" at Global Hospital, Hyderabad on 22.01.2011.
8. Dr.Vinod Bhan attended the 12th Annual Live workshop on minimally invasive cardiac surgery at GKNM Hospital, L.R.G.Naidu Institute : Department of Cardiothoracic Surgery, Coimbatore from 13th to 14th November, 2010.
9. Dr.Vinod Bhan attended the Live Workshop "4th Aortic Summit" conducted on 8th and 9th January, 2011 at MIOT Hospitals, Chennai.
10. Dr.Murali Hareesh attended the "Med Surge" a postgraduate seminar which was held on 11th and 12th December, 2010 at Hyderabad and presented a topic "Aortic root enlargement : different techniques".
11. Dr.Suresh J Patel attended the 12th Annual Live Workshop on minimally invasive cardiac surgery at GKNM Hospital, L.R.G. Naidu Institute : Department of Cardiothoracic surgery, Coimbatore from 13th to 14th November, 2010.

Chairperson for scientific sessions:

Dr.Abha Chandra chaired the following scientific sessions :

1. Free paper session on Management of Vascular malformations at the 17th Annual Conference of Vascular Society of India, Chennai from October, 21 – Oct. 24, 2010.
2. Chaired the Dr.N.L.Bordia Oration "Management of Chest Trauma" by Dr.R.C.Shah at the 70th Annual Conference of the Association of Surgeons of India ASICON 2010, held at New Delhi, between 18.12.2010 and 20.12.2010.

CHAPTER - II

Research Grant sanctioned for Faculty, PG Residents & Research Scholars from SBAVP Scheme

The main purpose for which the Sri Balaji Arogya Varaprasadini Scheme was started to generate funds for self sustenance of patient care through promoting clinical research work befitting into the goals of an academic tertiary level health care organisation catering to the needs of common man.

Research grants from the SBAVP are intended to supplement the clinical and patient oriented research facilities available in SVIMS. All facilities for the conduct of research, such as basic equipment and ordinary laboratory chemicals, glassware and other assistance as may be required for the smooth working of the project shall be provided by the institute. The faculty are also sponsored to present their work in scientific forums. The annual limit of sanction of grant 20 lakhs per annum approx.

The support of course work projects is needed this will to improve the quality of training and an opportunity postgraduate to appreciate the importance of academics in health care.

One of the ways to accomplish this would lie in fostering academic and research temperament amongst future faculty in medical institutions. With this in mind, the scheme of providing financial assistance to postgraduate and doctoral degree thesis works is proposed. This scheme is primarily aimed at promoting good quality research at this level as well as improve visibility and accessibility of their research work to larger research audience. The Financial assistance of Rs.50,000/- to the candidates pursuing PG Degree (MD/MS/DM/MCh/DNB) and Rs.2,00,000/- to the candidates pursuing PhD.

The assistance will be used for pursuance of research and may use the funds for purchase of chemicals, glassware, collection of patient data and investigation connected with the Research project.

7	Dr Naresh Y	Biochemistry	Clinical utility of salivary parameters in diagnosis and monitoring of renal failure	25000
8	Dr Radhakrishna	Surgical GE	Prospective randomized study comparing billroth II with braun anastomosis versus roux-En-Y reconstruction after radical distal subtotal gasrectomy for gastric cancer	25000
9	Dr A. Sailaja	Endocrinology	Effects of thyroid hormone replacement on HbA1c levels in non diabetic subjects	25000
10	Dr B. Suresh Babu	Transfusion Medicine	Prevalence of unexpected antibodies in the antenatal women attending the Government maternity hospital, Tirupati	25000
11	Dr M. Arun	Endocrinology	Prevalence of ISLET auto immunity among patients with type 2 diabetes mellitus	25000
12	Dr G.L.S. Sumanth Kumar	Microbiology	A study to evaluate the sensitivity and specify of ELISA taking Indirect immunofluorescence as reference test in detecting Aitamtonpdoies related to connectivetissue disorders and further differentiating them by western blot	25000
13	Dr C. Siva Sankara	Cardiology	The prognostic significance of NT-PRO BNP, 3D LA volume and LV dyssynchrony in patients with acute ST elevation myocardial infarction (STEMI) undergoihng primary percutaneous intervention (PCI)	25000
14	Dr K. Sudheer Reddy	Medical Oncology	Assessment of Hematologic cytogenetic, Molecular response to imatinib mesylate n chronic myeloid leukemia	25000

15	Dr B. Varalakshmi Devi	Nephrology	Study of plasma osteopontin levels in patients with acute kidney injury requiring dialysis	25000
2012				
16	Dr Anju Verma	Microbiology	Prevalence of hepatitis C virus infection and its genotypes among the blood donors at Tirupati, Andhra Pradesh	25000
17	Dr S. Sangeetha	Endocrinology	Body composition blood glucose and insulin resistance in hypothyroidism before and after restoration of euthyroidism	25000
18	Dr Sreenivasara Rao	Endocrinology	Hypothalamic pituitary insufficiency in patients with central nervous system infections	25000
2013				
19	Dr P. Swathi	Biochemistry	Utility of serum total prostate specific antigen and free prostate specific antigen measurements in combination with serum CA 15-3 and serum CEA in breast tumours	25000
20	Dr R. Madhavi	Cardiology	A study of efficacy and resistance of thienopyridine antiplatelet drugs in Indian patients undergoing percutaneous coronary intervention and to study genetic polymorphisms of ABCB1 gene in patients found to have resistance to clopidogrel	25000
21	Dr Ananth Pai	Medical Oncology	Assessment of predictive value of inflammatory markers and inflammation based prognostic scores in newly diagnostic patients with carcinoma breast or carcinoma ovary planned for neoadjuvant chemotherapy and in newly diagnosed patients with metastatic breast carcinoma or metastatic non small cell lung carcinoma or metastatic colorectal carcinoma planned for palliative chemotherapy	25000
22	Dr M. Prasanth	Biochemistry	Study of markers of oxidative stress and antioxidant status in contrast induced acute kidney injury	25000
23	Dr Ashok Venkatanarasu	Endocrinology	Organ specific autoimmunity in type 1 diabetes mellitus	25000
24	Dr P. Shalini	Endocrinology	Relationship between hyperprolactinemia and adrenal hyperandrogenism in the polycystic ovary syndrome	25000
25	Dr V. Chaitanya	Nephrology	A study on relationship between osteopontin and cardiovascular risk factors and carotid intima-media thickness in chronic kidney disease (predialysis)	25000
26	Dr B. Sangeetha Lakshmi	Nephrology	Changes in inflammatory and oxidative stress markers during a single hemodialysis session	25000
2014				
27	Dr A. Sudarshan	Neurosurgery	Correlation between clinical presentation, imaging, pathology and gene mutations in meningioma	25000
28	Dr E. Divya	Pathology	Detection and analysis of helicobacter pylori by different staining methods in gastric tissues	25000

29	Dr M. Anitha	Transfusion Medicine	A study of the association of the coronary artery diseases with ABO and lewis blood group phenotypes, at the tertiary care teaching hospital i.e. Sri Venkateswara Institute of Medical Sciences, Tirupati, Andhra Pradesh	25000
30	Dr Harikrishna Reddy	Nephrology	Study on relationship between fibroblast growth factor 23 and cardiovascular risk factors and carotid intimamedia thickness in chronic kidney disease (predialysis)	25000
31	Dr Anil Kumar C Venkata	Nephrology	A study of serum 25-hydroxyvitamin D level in acute arterial stroke patients	25000
32	Dr Harshavardhan E.V.	Cardiology	Assessment of On-clopidogrel platelet reactivity, coronary artery disease severity (Syntax score) and genetic polymorphisms in predicting one year clinical outcomes in patients with STEMI undergoing PCI with stent implantation	25000
33	Dr Sandhya Rani	Biochemistry	Tumour markers in chronic kidney disease	25000
34	Dr Mohan Sasank Deevi	Neurosurgery	A prospective study on use of intra-operative application of vancomycin powder in instrumented spinal fusion surgeries	25000

The greatest asset of Sri Venkateswra Institute of Medical Sciences is its highly dedicated and motivated team of faculty, postgraduates, research scholars and para-medical staff, rendering their services to the patients with great determination and enthusiasm. To prove this, the faculty and postgraduates have won several awards in various conferences of national and international reputation for presenting their research work. Several research projects are being undertaken with the financial assistance from Sri Balaji Arogya Varaprasidini Scheme.
