The Tenders are opened at the time mentioned through online. The message will be received by authorized person to the registered mail ID or Contact No. The bidder can see through online with their digital Key.

2. Technical Evaluation:

The technical bid which contains qualification requirements will be evaluated by the Central Procurement Committee (CPC). The Price bids of qualified Tenderers whose products are selected by the committee shall be opened. The reasons for disqualification and non-responsiveness to the bid conditions are notified in the APTS portal to the technically rejected bids/items.

3. Objections:

Any objections on the documents of other bidders opened shall be accepted through mail/ in person till two days after tender opening day up to 5.00pm. After that no objections shall be accepted by the Institute.

4. Acceptance of tender:

- i. Evaluation will be made based on samples submitted, Product Broachers on quality basis.
- ii. Hard copies of detailed brochures or catalogues of Medical & Lab items have to be submitted to the O/o. The Deputy Registrar, Purchase dept. Opposite to PG Hostel, SVIMS campus, Tirupati. The company name, department name, Tender ID, and item serial No. are to be marked on the brochures. Failure to send brochure may lead to rejection of that particular item.
- iii. The Purchaser reserves the right to reject or to accept the tenders for the supply of all items or any one or more of the items tendered in a tender without assigning any reason. No correspondence will be entertained in this regard.
- iv. The purchaser or its authorized representative(s) has/have the right to inspect the manufacturing premises of Tenderers, before accepting the rate quoted by them or before releasing any purchase order(s) or at any point of time during the continuance of tender and also has the right to reject the tender or terminate/cancel the purchase orders issued and/or not to place further order, based on adverse reports brought out during such inspections.
- v. Any effort by a bidder to influence the purchaser in the purchaser's bid evaluation, bid comparison or contract award decisions may result in rejection of Bidders bid.
- vi. The two bid system followed in tender has been designed to make the tender process more scientific and transparent and to eliminate those suppliers/products which do not match the eligibility criteria, product specification and manufacturing process requirements and manufacturing with proper licenses.

5. Rates:

- i. The rate quoted per unit (unit as specified per tablet or injection and rate per test or per ml in Tender schedule) should be inclusive of packing, forwarding insurance, storage, transportation, loading, unloading, license Fees, octroi, road permits etc., and exclusive of GST. The percentage of GST amount has to be shown separately. Tenders where the rate quoted is for a unit other than the one asked for, shall not be considered. No handling, clearing or transport charges will be paid.

- ii. **Rate inclusive of all duties and Exclusive of GST** should be quoted for each on F.O.R. basis as per the instructions in Purchase Order, in metric system units according to the unit asked for, together with manufacturer name. The deliveries should be made as stipulated in the supply orders placed on successful tenderers by the Hospital Authorities concerned.
- iii. **Drug Price Control Order (DPCO):** The price quoted by the tenderers shall not, in any case exceed the Drugs Price Control Order (DPCO) controlled price, if any, fixed by the Central/State Government. Tender Inviting Authority at its discretion, may exercise, the right to revise the price at any stage so as to conform to the controlled price as the case may be. This discretion will be exercised without prejudice to any other action that may be taken against the Tenderer. To be submitted as per the format in Annexure-V.
- iv. Tenderers must carefully apply the decimals while quoting the rates. For eg. quoted 3.65 instead of 36.50. Hence all bidders are hereby warned to place decimals carefully.
- v. If prices are quoted wrongly and any representation after price bid opening shall not be considered and may be liable for forfeiture of EMD.
- vi. For Medical oncology items, please quote all the strengths for each drug. Do not quote single strength, If so, the quote for such items will not be considered. L1 Prices will be calculated based on total value of all strengths. Example: Inj. Irinotecan 40mg & 100mg, Inj. Pemetrexed 100mg & 500mg, Inj. Rituximab 100mg & 500mg --- etc.
- vii. Tenderers must understand that they will not be allowed for any increase over the rates quoted by them during the period of contract. The rate revision may be considered only in case of imposition of duty or increase in tax by Government either Central or State. Only after necessary legal documentary evidence produced by the firm in support thereof. Without production of such documents, rate revision cannot be accepted. However, supply of Medical Items cannot be stopped. In such case the tenderer will be liable for risk purchase and penalty there under shall be imposed during the tender period.
- viii. The rates quoted and accepted will be binding on the Tenderer for the full contract period of two years and any increase in the price will not be entertained till the completion of this contract period.
- ix. Further the tenderers are requested to note that any taxes to be deducted at source at the rate fixed by the appropriate Govt. agency i.e. State / Central, shall be deducted at the time of payment against the supplies.
- x. The tenderer has to submit the details of cost structure of items quoted if required by the purchaser.
- xi. Form "C" or Form "D" or Form "N" will NOT be issued by this Institute.
- xii. Rates quoted in the tender shall be valid for acceptance for a period of 180 days from the last date fixed for receipt of tender. After acceptance, the rates and Terms and Conditions have to be kept valid for a period of two years or until the implementation of next Rate Contract whichever is later. No changes in Rate shall be entertained during the Rate Contract period.
- xiii. The price quoted by the tenderers shall not in any case, exceed the controlled price, if any fixed by Central / State Government and the maximum retail price (MRP). The Purchaser at his discretion, will exercise, the right of revising the price at any stage so as to confirm to the controlled price or MRP as the case may be. This discretion will be exercised without prejudice to any other action that may be taken against the tenderer.
- xiv. "Only MRP printed stocks to be supplied". Do not supply "Hospital supply, not for sale".

xv. If at any time during the period of contract, the price of tendered items is reduced or brought down by any law or Act of the Central or State Government or by the Tenderer himself, the Tenderer shall be bound to inform to SVIMS immediately about such reduction in the contracted prices. Tender Inviting Authority is empowered to unilaterally effect such reduction as is necessary in rates in case the Tenderer fails to notify or fails to agree for such reduction of rates.

6. Price Bid Opening:

The Price bids of qualified bidders for the selected items will be opened through online.

If the rate quoted by a tenderer is found to be unreasonable that particular item/s will be rejected without assigning any reason.

After conclusion of Commercial bid evaluation, all the lowest bids are considered as L1 bidders. Prices have to be kept valid for a period of two years or until the implementation of next Rate Contract whichever is later. The L1 tenderers shall pay the security deposit and enter into Rate contract agreement.

The bidders are requested to quote their best competitive rates as there are **no negotiations**.

7. Performance of Security Deposit:

- i. On being informed about the acceptance of the tender the successful tenderer shall be required to pay a Performance Security Deposit of 5% of the contract value. Security Deposit should be paid before the due date fixed, in the form of Demand Draft drawn in favor of **“The Director-cum-VC, Sri Venkateswara Institute of Medical Sciences, Tirupati”**. (for RTGS Account Details please refer: EMD Clause).
- ii. The Security Deposit furnished by such tenderer in respect of his tender will be returned to him upon complete fulfillment of the tender period or the extended period if any to the satisfaction of the Director-cum-VC, Sri Venkateswara Institute of Medical Sciences, Tirupati.
- iii. The Purchaser also reserves right to place one-time purchase order for certain quantity of any drug even without price agreement, for such drugs suppliers are required to pay performance security deposit @ 5 % of value of order of such drug in the form DD.
- iv. The Tenderer shall not, at any time, assign, sub-let or make over the contract or the benefit thereof or any part thereof to any person or persons what so ever.
- v. All notices or communications relating to and arising out of this price agreement or any of the terms thereof shall be considered duly served on or given to the Tenderer if delivered to him or left at the premises, places of business or abode as provided by the tenderer.
- vi. If the lowest selected Tenderer fails to deposit the required Performance Security Deposit (PSD) within the time specified or withdraws the tender, after the intimation of the acceptance of the tender or owing to any other reasons to undertake the contract, the contract will be cancelled and the Earnest Money Deposit deposited by the tenderer along

Tender Sign & Seal

with the tender shall stand forfeited by the SVIMS and the firm will also be liable for all damages sustained by the SVIMS apart from blacklisting and other penal actions.

vii. The performance security deposit of supplier will be returned by SVIMS only after the supplier has given undertaking to replace such medicines and indemnify SVIMS against any losses on account of quality parameters.

viii. SSI units situated in A.P are exempted from payment of Performance Security Deposit.

8. Entering Into Rate Contract Agreement:

After opening of price bid, the L1 tenderers shall pay the security deposit of 5% on total value and enter into agreement with SVIMS on **Rs.100/-** (Rupees One hundred only) worth **Non-Judicial Stamp Paper** within **15 days** from the date of finalization of Tenders. The specimen form of agreement is attached to the tender document (**Annexure VIII**). Failure of the successful tenderer to comply with this requirement shall constitute sufficient grounds for the annulment of the award, in which case the purchaser may at his sole discretion, make the award to the next lowest evaluated tenderer or call for new tenders. The non-complaint tenderer shall be losing the E.M.D. In addition, if any bidder wants to omit one or few items from the RC due to withdrawal of the product from manufacturing line/quoting wrong items etc., the acceptance shall be at the discretion of SVIMS. The purchase order will be issued from time to time basis for a specific quantity during the period of rate contract.

Non-performance of any of the contract conditions and provisions will disqualify a firm from participating in the tender for the next 2 years besides forfeiture of EMD.

The acceptance of the tenders for Price Agreement is for 2(**two**) years period will be communicated to the Tenderer/s.

9. Methodology for Placing Orders:

- i. After the conclusion of Price Bid opening, the rates offered by tenderers for each product are evaluated and lowest acceptable rate (L1 Rate) arrived at is declared. The Tenderer is communicated about the list of the L1 products and to enter rate contract agreement.
- ii. The successful Tenderer is eligible for the placement of Purchase Orders only after depositing the required amount as Performance Security.
- iii. If two or more than two Tenderer's are declared as lowest suppliers for the same item(s), such Tenderers are eligible for price agreement and the placement of Purchase Orders for such item(s) for which they are declared as lowest. Placement of order shall be shared equally amongst these bidders subject to supply.
- iv. The supplier after committing the default in supplies either partly or fully, can inform the Purchaser about his willingness to execute the Purchase Order during the tender period. The Purchaser at discretion may consider the willingness of the supplier on merit. However, such supplies will be subjected to the levy of Liquidated Damages, unexecuted fine and other penalties as stipulated in the tender document, price agreement and purchase order.

- v. The purchase orders (PO) are issued by SVIMS, BIRRD(T) Hospital, SPCHC and Central Hospital, TTD as per their requirement and schedule. The stocks to be supplied directly to the concerned hospitals as per the POs.
- vi. The Drugs/Medicines supplied in excess of the ordered quantity shall not be accepted and the supplier shall take back the excess at their cost. The Purchaser will not be responsible for the loss to the supplier and will not entertain any demand/claim. As per pack size the stock will be accepted with little excess/short quantities.
- vii. In the case of purchase of goods where the quantity offered at the lowest price is less than the total quantity required, the purchaser may, after placing orders with the lowest evaluated Tenderer for the entire quantity offered by such Tenderer subject to his ability to supply, require all the other eligible Tenderers who participated in the tender and offered a price higher than that offered by the lowest evaluated Tenderer, to submit sealed offers of the quantity they would be willing to supply at the price quoted by the lowest evaluated Tenderer, and thereafter place orders for the remaining required quantity with all those who match the lowest evaluated price such that those who bid lower prices in the original tender get a higher priority for supply.

10. Packaging:

The Medical Items shall be supplied in the packaging specified for the items with their coding. The Corrugated package shall not weigh more than 15kgs. (I.e. Product + inner carton + corrugated box). - ii. The supplier has to obey and supply even before submitting the agreements.
- iii. The Tenderer should also Communicate and mail the details of supply, to the Purchaser within 7 days from the receipt of the purchase order. If no response is received within 7 days from the supplier / tenderer about supply of drugs as per purchase order, it shall be presumed that the supplier/tenderer is not interested to supply the drugs ordered as per purchase order and the Purchaser shall purchase the drugs from alternative sources.
- iv. The first supplies are on approval basis. If the end user departments are not satisfied with the quality, the products are liable for rejection and institute may procure from others.

- v. Supplies against a purchase order shall be completed within 60 days otherwise liquidated damages are levied by the purchaser. Not less than 50% within 30days and rest of the stocks within 60th day. Penalty will be imposed for late supply @0.3% per day between 61-90 days.
- vi.
 - a. The supply period can be extended subject to requirement as per institutional authorities by imposing 0.5% per day between 91-120 days.
 - b. Beyond 60 days, the institute/s reserves the right to cancel the PO and to go for procurement with L2/L3/Quotation or from Whole sale market in the event of shortage/emergency of the institute.
 - c. If the tenderer fails to execute the supply within the stipulated time, the Purchaser is empowered to make emergency purchases and claim the difference in total cost from the tenderer (L1) in addition to other penal clauses.
 - d. If a supplier fails to execute supply order (0% execution) Performance Security Deposit of the product mentioned in purchase order shall be forfeited. If SD is exhausted to deduct from EMD.
 - e. The above clauses will be applied as per the emergency condition, short supply as per the discretion of the Authorities on case to case basis.
 - f. In case of urgency, the stocks to be supplied within 2weeks to meet the emergencies.
- viii. Supplies for Medical items shall be of Quoted Brands only which are quoted in Tenders and alternative brands will not be accepted. On emergencies, if the committee approves, the alternative brands may be accepted by imposing 0.5% penalty.
- ix. Supplies are to be made along with three copies of invoices. It shall be the responsibility of the tenderer for any shortages/damages at the time of receipt in respective stores of the authority issued purchase orders.
- x. If the samples do not conform to statutory standards, the Tenderer will be liable for relevant action under the existing laws and the entire stock in such batch has to be taken back by the Tenderer within a period of 30 days of the issue of the letter from the competent authority. Such stock shall be taken back at the expense of the Tenderer. Further, actual testing charges (including handling charges for conducting those tests) shall be paid to SVIMS by the supplier otherwise these charges shall be recovered from their pending bill/EMD/performance security deposit. The hospital authorities has the right to destroy such **"Not of Standard Quality Drugs"**, if the Tenderer does not take back the goods within the stipulated time. The hospital authorities will arrange to destroy such drugs and shall also collect demurrage charges calculated at the rate of 2% per week on the value of those drugs which are of —**"Not of Standard Quality Drugs"** rejected till such time stipulated. Further, the cost of disposal shall be recovered from the supplier.
- xi. If the samples do not conform to statutory standards, the tenderer will be liable for relevant action under the existing laws and the entire stock should be taken back by the tenderer within a period of 15 days of the receipt of information from Purchaser. The stock shall be taken back at the expense of the tenderer. Purchaser has the right to destroy such substandard goods if the tenderer does not take back the goods within the stipulated time. The Drugs control authority will be informed for initiating necessary action on the tenderer and that product shall be blacklisted and no further supplies of that product accepted from the firm till they are legally cleared. The tenderer shall also not be eligible to participate in SVIMS tenders for supply of such Medical Items for a period of three subsequent years.

- xii. The tenderers should clearly understand that the decision of the Director-cum-VC, SVIMS or authorized officer regarding quality of the supplied Medical/Lab Items shall be final and binding.
- xiii. If the supplies are declared as not of standard quality or spurious or adulterated or misbranded, such batch/batches will be deemed to be rejected goods. If any Medical Items supplied by the tenderer is partially or wholly used or consumed after supply and is subsequently found to be not as per specifications, unsound, inferior in quality or description or otherwise faulty or unfit for consumption by the purchaser, then the cost of such Medical Items will be recovered from the tenderer, if the payment had already been made, in addition to penalty for the entire batch. Further the purchaser reserve the right to procure the stocks from other sources.
- xiv. If the tenderer fails to execute the supply within the stipulated time, the Purchaser is empowered to make emergency purchases and claim the difference in total cost from the tenderer in addition to other penal clauses.
- xv. All the supplies will be scheduled for the period from the date of acceptance till the completion of the tender in installments, as may be stipulated in the supply order. The supplied Medical Items should have minimum potency for the maximum period as prescribed in the Drugs and Cosmetics Act 1940 and rules there under on the date of supply. It shall be responsibility of the tenderer for any shortages, damages at the time of receipt in the Stores and Purchaser is not responsible.
- xvi. **Shelf Life:**
 - (a) For all items 4/6th of their total shelf life at the time of supply.
 - (b) In case of imported items, the shelf life should not be less than 50%.
 - (c) In case of any emergency the supplier supplying items with less expiry will be accepted by imposing penalty of 1% value of the item.
- xvii. The supplier shall not be liable to pay Liquidate Damages and forfeiture of performance security deposit for the delay in executing the contract on account of the extension of supply period on the ground of majeure events.
- xviii. Suppliers are required to supply the drugs within the delivery period mentioned in the purchase order. In this regard it is informed to the bidders that their performance shall be considered unsatisfactory in case of delayed supply (Beyond delivery period) or non-supply of products. Purchaser may reject their bid in future tenders considering their unsatisfactory performance of supplies.
- xix. If purchaser observes some physical defects (like empty blisters, improper labeling) of the supplies during sampling, the batch shall be rejected. If supplier wants to take back the batch for rectification, they can take back at their cost, rectify and send back to purchaser within 10 days otherwise same batch shall not be accepted. Due to rectification, if its shelf life condition as per tender provision does not meet, it shall be discretion of purchaser depending upon requirement to accept the goods with or without penalty.
- xx. If the drug is not consumed prior to its expiry date i.e., six months before expiry, the purchaser will notify about the short expiry drugs. Upon receipt of such information, the supplier should replace (at own cost of supplier to and fro) the short expiry/expired quantity with fresh stock of longer shelf life, otherwise the value equal to the cost of expired quantity will be deducted from the bills or any other amount payable to the firm.

- xxi. If the supply is received in damaged condition, open delivery of the supplies shall be received, wherein it is possible to physically inspect the shipment, damaged products shall not be accepted.

12. Force Majeure Clause:

If at any time the tenderer has, in the opinion of the Purchaser delayed the supply of drugs due to one or more reasons related to force majeure events such as riots, mutinies, wars, fire, storm, tempest, floods or other exceptional events at the manufacturing premises, the time for supplying the drugs may be extended by the purchaser at discretion for such period as may be considered reasonable. However, such extension shall be considered only if a specific written request is made by the tenderer within 20 days from the day of occurrence of such event with necessary documentary evidence. The exceptional events do not include the increase in the cost of raw material, electricity failure, labour disputes/strikes, insolvency, and closure of the factory/ manufacturing unit on any grounds etc.

13. Quality Testing:

- i. As and when deemed necessary, samples will be obtained and subjected to necessary quality testing. All the necessary expenditure including supply of samples shall be borne by the tenderer.
- ii. The Tenderer must submit an Analysis report as and when the quality testing committee (QTC)/ Pharmacy Therapeutic committee (PTC) of SVIMS asked for in the event of random check or sampling of drugs within 10 days. In case of failure on part of the supplier to furnish such report, the batch of drugs will be returned to the supplier and he is bound to replenish the same with Govt. approved lab test report. The Drugs supplied by the successful Tenderer shall be of the best quality and shall comply with IP/BP/USP and the specifications, stipulations and conditions specified in the tender.
- iii. The QTC/PTC is authorized for random check or sampling of drugs. The Items having suspicious will be sent for quality testing labs with their remarks through Asst. Director Drug Control Authorities (DCA).
- iv. The Medical Items shall have the active ingredients at the Maximum permissible level throughout the shelf life period. The samples will be drawn periodically if required for testing.
- v. If any discrepancies found, the action should be taken as per the instructions of the committee.
- vi. If found chipping discoloration, precipitation, particles, improper packing etc. the committee will disqualify the item and recommended for withdrawal, black listed for 2-3 years. The cost of the batch supplied will be stopped apart from imposing other penalties.
- vii. In the event of the samples of Drugs supplied fails in quality tests or found to be not as per specifications, the Purchaser is at liberty to make alternative purchase of the items of drugs for which the Purchase orders have been placed from any other sources or in the open market or from any other Tenderer who might have quoted higher rates, at the risk and the cost of the supplier and in such cases the Purchaser has every right to recover the cost and impose penalty as per the decision of the CPC.
- viii. The products should conform to the standards of IP/BP/USP as the case may be.

However, the drugs notified in the IP (amended up to date) shall be accepted only if supplied conforming to the standards outlined in the IP. In case the product is not included in the any of the said compendiums, the supplier, upon award of the contract, must provide the reference standards and testing protocols for quality control testing. For imported drugs, respective Country's Pharmacopoeia standards shall be acceptable (even if the product is official in IP).

- ix. The case of admixture of drugs will be treated as a violation of tender conditions. If such lapses happen more than twice in a tender period such cases will be treated as "Misbranded Drugs".
- x. The supplier shall furnish evidence of the basis for shelf life and other stability data concerning the commercial final package on request by the Purchaser. In case of any complaint in the field, the B.M.R/B.P.R for the particular batch of the product(s) supplied shall be produced when demanded.

14. Payment Provisions:

- i. No advance payment will be made to the tenderer.
- ii. The payment shall be made within 3 (Three) months from the date of supply subject to availability of funds.
- iii. The payment will be processed after supplying full quantity or till the completion of the supply schedule.

15. Fall Clause:

If at any time during the period of contract, the price of tendered items is reduced or brought down by any law or Act of the Central or State Government or by the Tenderer himself, the Tenderer shall be bound to inform to SVIMS immediately about such reduction in the contracted prices. Tender Inviting Authority is empowered to unilaterally effect such reduction as is necessary in rates in case the Tenderer fails to notify or fails to agree for such reduction of rates.

16. Penalties:

- i. If the successful tenderer fails to execute the agreement or not submitting the required security deposit within the time specified or withdrawn the tender after the intimation of the acceptance of the tender has been sent to him or owing to any other reasons, he is unable to undertake the contract, his contract will be cancelled and the Earnest Money Deposit deposited by him along with his tender shall be withhold and he will also be liable for all damages sustained by the Purchaser, by reasons of breach, such as failure to supply, delayed supply, including the liability to pay any difference between the prices accepted by him and those ultimately paid for the procurement of the articles concerned. Such damages shall be assessed and recovered by the Purchaser, whose decision is final in this matter.
- ii. Supplies against the purchase order shall be completed within 60 days otherwise liquidated damages are levied by the Purchaser as follows:

Medicines & Lab Items	Stipulated supply period as per tender Clause	% of penalties
-----------------------------	---	----------------

A.	60days	Nil
	61 st - 90 th day	0.3% per day
	91 st - 120 th day	The supply period can be extendable for another 30 days beyond 90 days upon request @ 0.5% per day
B.		If the tenderer fails to execute the supply within the stipulated time, the Purchaser is empowered to make emergency purchases and claim the difference in total cost from the tenderer (L1) in addition to imposing of other penal clauses.
<i>Note: The above clauses (A),(B) will be applied as per the emergency condition, short supply as per the discretion of the Authorities on case to case basis.</i>		

- iii. For contravention of the stipulations of the contract or for other justifiable reasons, the contract may be terminated by the Purchaser, and the Tenderer shall be liable to pay for all losses sustained by the Purchaser in consequence of the termination which may be recovered from the Tenderer, as per rules besides forfeiture of Performance Security Deposit.
- iv. Non performance of contract provisions will provide the base to disqualify a firm to participate in the tender for the next three years.
- v. In the event of supplies failing quality test, contract with the tenderer will be suspended and purchases made from alternative supplies. Such firms may be black listed for three years beginning from the year following the one in which defective supplies was detected. The tenderer shall also be liable for action under criminal law and the matter shall be notified to the Drugs Control authorities.
- vi. In all the above conditions, the decision of the Director-cum-VC, Sri Venkateswara Institute of Medical Sciences shall be final and binding.
- vii. In the event of making Alternative Purchase, penalty will be imposed on the supplier. The excess expenditure over and above contracted prices incurred by the purchaser in making such purchases from any other sources or in the open market or from any other Tenderer who has quoted higher rates and other losses sustained in the process, shall be recovered from the Performance Security Deposit or from any other money due and become due to the supplier and in the event of such amount being insufficient, the balance will be recovered personally from the supplier as per rules.
- viii. The Tenderer shall furnish the source of procurement of raw material utilized in the formulations, if required by the purchaser. The purchaser reserves the right to cancel the purchase orders, if the source of supply is not furnished
- ix. If there are any deviations in these Tender conditions, action will be taken to blacklist the product and/or a separate damage will be levied @ 0.5% of value of the defaulted quantity irrespective of the Tender Inviting Authority.
- x. The Purchaser will be at liberty to terminate the contract without assigning any reasons thereof either wholly or in part on one month's notice. The tenderer will not be entitled to any compensation whatsoever in respect of such termination.
- xi. In all the above conditions, the decision of the Director-cum-VC shall be final and

binding.

17. Blacklisting in the Event of Withdrawal From The Tender and Non-Adherence to the Quality Standards and Supply Schedule:

- i. If any Company / Supplier supply similar items to any other agency / State in the country at the rate lower than the rate at which supplied to SVIMS during the rate contract period, the difference amount is liable to be recovered apart from the blacklisting of firm for minimum of 2 years.
- ii. If the Tenderer(s) fails to perform the obligations under the tender conditions / commits default in the performance of the contract, such Tenderers will be blacklisted for a period of 2 years by the Purchaser SVIMS from the date of observing the defect besides forfeiture of Performance security deposit.
- iii. Substandard supply or supply of any part or whole consignment without meeting the quality specifications shall also entails **blacklisting** of the firm for a minimum period of **two years** for a particular product.

18. Appeal(S) in Case of Black Listing:

- i. A supplier/firm who's product or the supplier/firm, itself have been blacklisted by SVIMS which is displayed in the website i.e. <http://svimstpt.ap.nic.in/> may within 15 days from the date of display, may appeal to the Director General, Drug Control Administration, A.P.
- ii. The Director General, Drug Control Administration, A.P., after such enquiry into the matter, as is considered necessary and after giving the said supplier an opportunity for representing his views, may pass such order in relation there to, as he thinks fit.
- iii. If the firm is not satisfied with the outcome may appeal within 15 days to the Executive officer, TTD, Tirupati for review. After such enquiry into the matter, as is considered necessary and after giving the said supplier an opportunity for representing his views, may pass such order in relation there to, as it thinks fit.

19. Saving Clause: No suit, prosecution or any legal proceedings shall lie against the Purchaser or any employee of SVIMS for anything, which is done in good faith or intended to be done in pursuance of tender. The Purchaser reserves the right to make modification, alteration or relaxation in any of the clauses or conditions given in this tender document.

20. Resolution of Disputes: If any dispute or difference arises between the parties relating or concerning or to interpretation of the contract or any alleged breach thereof or any matter relating to the contract, the same shall be settled by the parties as far possible by mutual discussion and consultation between themselves, whether the same has arisen during the subsistence of the contract or thereafter.

In the event of any dispute arising out of the contract, it will be settled through mutual discussions and consensus failing which through arbitration as per Arbitration & Conciliation Amendment Act 2005, failing which through court of law within jurisdiction of Tirupathi. ALL THE LAWS OF THE LAND WILL APPLY.

21. Fraudulent and Corrupt Practices:

If SVIMS determines that a Supplier has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices, in competing for or in executing the Contract, then the Purchaser SVIMS may, after giving 7 days notice to the Supplier, terminate the Supplier's engagement under the Contract and cancel the contract, and the procurement will be made at the risk and cost of the supplier besides blacklisting the bidder for 2 years with forfeiture of Performance security deposit apart from other penal actions. It is purchaser's policy to ensure that suppliers and their authorized representatives/agents observe the highest standard of ethics during the procurement and execution of such contracts. *(In this context, any action taken by a bidder, supplier, contractor, or by their authorized representatives/agent, to influence the procurement process or contract execution for undue advantage is improper)* In pursuance of this policy, the purchaser:

- (a) defines, for the purposes of this provision, the terms set forth below as follows:
 - i. "Corrupt practice" is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party (*"another party" refers to a public official acting in relation to the procurement process or contract execution*). In this context, "public official" includes staff and employees of other organizations taking or reviewing procurement decisions.
 - ii. "fraudulent practice" is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation (a "party" refers to a public official; the terms "benefit" and "obligation" relate to the procurement process or contract execution; and the "act or omission" is intended to influence the procurement process or contract execution).
 - iii. "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party [*"parties" refers to participants in the procurement process (including public officials) attempting to establish bid prices at artificial, non competitive level*].
 - iv. "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party (a "party" refers to a participant in the procurement process or contract execution).
 - v. "obstructive practice" is
 - a. deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or acts intended to materially impede the exercise of the purchaser's inspection and audit rights provided for under sub-clause (e) below.
 - b. will reject a proposal for award if it determines that the bidder considered for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for the contract in question;
 - c. will cancel the contract if the purchaser determines at any time that the bidder, supplier and contractors and their sub-contractors engaged in corrupt, fraudulent, collusive, or coercive practices.

- d. will sanction a firm or individual, including declaring in eligible, either indefinitely or for a stated period of time, to be awarded a contract if it at any time determines that the firm has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive or obstructive practices in competing for, or in executing, a contract; and
- e. will have the right to inspect the accounts and records of the bidders, supplier, and contractors and their subcontractors/authorized representatives and to have them audited by auditors appointed by the purchaser.

22. General Conditions:

- i. The details of the required Medical Items are shown in the Technical Bid i.e., under Item description. The quantity mentioned is only probable requirement and may increase or decrease as per the actual requirement. The rates shall not vary with the quantum of the order.
- ii. The L1 suppliers are entitled to be placed the purchase orders for Medical Items up to the required quantity and if there are more than one L1 supplier, the purchase orders will be placed among them in equal proportions.
- iii. Apart from the regular tender L1 supplier the other participant/s will be asked for their willingness to supply their quoted product at tender L1 price (agreed L1). In case the tender L1 fails to supply the subsequent order/s will be placed on agreed L1 supplier/s. If L2 not agrees to supply at L1 prices, order will be placed at L2 price and difference will be deducted from L1 supplier.
- iv. Tender has been called for in the generic names for Medical Items. The specification of each product should be as per the details given in the Schedule. Any variation will result in the rejection of the product.
- v. No Company which has been blacklisted either by SVIMS or by any State / Central / Autonomous Organizations should not participate in the tender during the period of blacklisting.
- vi. Clerical error etc., committed by the tenderer in the tender forms shall not be considered after opening of the tenders.
- vii. If at any time the price of Tendered items is reduced by any Law or Act of Central or State Govt. or by the Tenderer himself, the payment will be made at reduced rate.
- viii. Conditions such as “**SUBJECT TO AVAILABILITY**”, “**SUPPLIES WILL BE MADE AS AND WHEN SUPPLIES ARE RECEIVED**” etc., will not be considered under any circumstances and the tenders of those who have given such conditions shall be treated incomplete and for that reason, shall be summarily **rejected**.

23. Jurisdiction:

In the event of any dispute arising out of the tender such dispute would subject to the jurisdiction of the Honorable Civil Courts within the city of Tirupati, A.P. only.
